## LEONORA BOWLS CLUB UPDATE

The Bowls Club AGM was held on Monday 21st March at the club house. 12 people attended. A Covid-safe meeting, all wore masks during the meeting.

New Office Bearers are:

**President:** John "Gonzo" Timms

**Vice President:** Nick Gahan

**Treasurer:** Ross Norrie

**Secretary:** Sandra Wheeler

**Events Co-Ordinator:** Rose Paniora

**Golden Gift Tournament Co-Ordinator:** Tracey Bush

Congratulations to all Office Bearers, and welcome to new Committee Members.

The past year has been exciting for all members and guests. We held a Bowls Tournament over the Golden Gift weekend in June 2021, with 18 teams and supporters from all over Western Australia. Kalgoorlie Bowls Club handled registration, scoring and umpiring. It was a fabulous weekend, great competition, with many people watching the events, and enjoying the hospitality and refreshments provided. The final dinner was a great success, with a wonderful selection of delicious food, and bar sale, as we were able to get a temporary Bar Licence for the weekend. This year's Golden Gift Tournament will be bigger and better, with our committee running the events.

On Christmas Day, members and guests enjoyed a sumptuous feast for the Inaugural "Orphans Christmas Party", for anyone unable to spend the day with family. About 70 people attended, enjoying the company of others, great food, games, a visit from Santa and his elves, and cooling off in wading pools. Oh, and lots of bowling, of course!

Meets are held on Sundays from 12.30pm, BYO drinks. Snacks, laughs, sometimes a BBQ. Wednesday evenings from 5.30pm, and some of the guys are so keen that they play on other nights as well. Lots of bowling, with

training when requested, good fun, laughs, and general enjoyment of spending time together. Some prefer sitting and watching the players, and forming new friendships, so vital in a small town.

The skill of our players, guys and gals of all ages, is progressing incredibly well, we will be a good challenge for other visiting clubs.

Leonora Bowls Club welcomes new members. Membership fee is \$50 per year, fees for 2022 are due by the end of March. Club shirts are available for \$50. Bowls are available to hire, no need to buy you own until you are ready!

We hope to obtain a full Liquor Licence in the near future.

## A little bit of history

Did you know that this Club building is the 4th attempt to get a Bowling Club venue?

Back in the day, locals tried to get a club happening at Gwalia. Then the old football oval in Leonora was suggested. Later a start was made when a retaining wall was built on the site of the current swimming pool at the Recreation Centre, but it was never followed through. The current building was finally built around 2016, and a team formed but because of difficulties with liquor licencing, was abandoned. The building was seldom used for a few years, until in 2019 a new committee was formed and with co-operation from Leonora Shire, became a popular venue, used for various purposes, and available to hire for functions.

Come along on Sundays or Wednesdays evening to join in the fun, have a bowl or just watch, check out the amazing facilities at the club, see if you like it and maybe join the club as a full member. We would love to see you there.

Local businesses can advertise by providing a sign, to certain specifications, that will be displayed on the outside of the Club building, for an annual fee. It's a fantastic way to promote your business. Enquiries are welcome.

Check out our Facebook Group "The Leonora Bowls Club".

## PROHIBITION OF SHOUTING DRINKS

Photo of MR. M. F. TROY (MOUNT MAGNET).

It could be illegal to buy your mates a drink at the pub, if it weren't for Western Australian Parliament Speaker, Michael Troy.

In 1915, a bill called "The Prohibition of Treating on Licensed Premises Act" was introduced to the Legislative Assembly of WA Parliament. The aim was to prevent the inebriation of soldiers by making it an offence to buy another person a drink at the bar.

Ending in a tie-breaker with 19 ayes and 19 noes, Troy declared "I gather from the state of the division that the House has not made up its mind. In accordance with statutory precedence, I give my vote to the noes so that the bill may have further consideration."

And so, shouting your mates a round of drinks at the pub continues as an Aussie tradition to this day.

Troy came to Western Australia from New South Wales in 1897, chasing the fortunes of the Goldfields. He spent several years prospecting and mining in the Cue area but was unsuccessful. He became the secretary of the local union branch and before long his involvement in the labour movement led him to join the Labor Party in the Legislative Assembly seat of Mount Magnet. Troy represented the party for 85 years and was elected to the position of Speaker of the House in 1911, amongst other achievements.

## 5 HEALTHY EATING HACKS FOR BUSY PEOPLE

When life gets busy, a healthy diet probably isn't at the top of your to-do list. This is understandable - we can only juggle so much at once. But in order to feel good and stay on top of your busy schedule, eating well is key. Eating healthy doesn't need to add extra time or burden to your jam-packed schedule. You just need a little forward thinking to help make healthy eating your norm. Your body will thank you for it!

Here are our top five healthy eating hacks for busy people:

### 1. SHOP SMART

A pantry and freezer stocked with healthy staples makes throwing a meal together much easier. Canned beans, fast-cooking grains (like couscous), and frozen vegies are the go-to choices in my kitchen. They are versatile and easy to use. Check out our recent post [The Busy People's Guide to Pantry Essentials](#) for inspiration!

### 2. BUILD YOUR RECIPE BOOK

Keep a notebook in the kitchen, or a photo album with recipes on your phone. Add easy, healthy recipes to this recipe bank that you find or are given. This will make dinner preparation a breeze. Cooking instead of buying take away after a long day will save you money, too. Check out our online recipe collection if you need a kick-start.

### 3. UNPLUG

Next time you eat during a busy day, take note of how you eat. If you find yourself scrolling through your phone, or watching TV, try removing distractions and notice if there are any changes. You might find that you eat more slowly, are more in tune with your appetite, or are satisfied sooner.

### 4. STASH HEALTHY SNACKS

This doesn't need to be fancy! A handful of nuts, a piece of fruit, or grainy crackers will do the trick. Keep these in your car, bag, or workplace. By preparing ahead and having snacks on hand, you can save money and time. Having a fruit bowl in your kitchen is a great reminder to grab a piece of fruit for your bag as you head out the door.

### 5. KEEP IT SIMPLE

Being creative is great, but don't feel bad if you aren't the next Masterchef. Forget recipes with a million ingredients you've never even heard of. When time is limited, stick to the basics. Have a gander of our "Back to Basics" recipe booklet and prepare your taste buds for some easy, delicious meals.

We suggest trying one of these tips each week, or dive right in and try them all. Remember, healthy eating is not a diet - it's a lifestyle, and should be easy to follow long-term. Find what works for you and stick with that!

## Leonora Community Relations—March 2022

St Barbara has been part of the Leonora community since 2005 and we are proud to support numerous events and activities throughout the year that builds stronger communities. We continue to build stronger communities.

We strive to help our communities thrive, grow and prosper. We build meaningful relationships, investing time and energy to ensure local communities are enriched by being our neighbours.

### Keeping everyone safe during latest COVID outbreak

Due to the WA Border reopening on the 3 March and the escalation in COVID Omicron cases now within the community, St Barbara staff have been restricted from accessing the community. This means we will not be able to attend events, meetings or other activities in town until further notice. On-line meetings will be available though.

These measures are in place to ensure the Leonora community stays safe while vaccination levels are still low across the Goldfields region. It also ensures our staff remain safe to ensure our operations remain operational and jobs are secure.

As well as restricting community access, St Barbara have also implemented the following additional measures to ensure the safety of everyone:

- All inbound staff undergo RAT testing at Perth airport to ensure they have a negative test before boarding the flight to Leonora.
- Procedures are in place to isolate staff if they become infected while on site in Leonora.

It is important for St Barbara to do everything possible to ensure the safety of everyone and though this is upsetting that these measures have been put in place yet again, we know it is the right decision. Safety of our people and communities are paramount and we continue to work with and follow the advice of State and Federal governments and health authorities.

If you have any queries, please contact Wendy Mathews, Senior Community Engagement Specialist on 0418 358 155 or email [Leonora.community@stbarbaraba.com.au](mailto:Leonora.community@stbarbaraba.com.au).

## Leonora Province Plan Update

### Acquisition of Bardoc Gold

In December 2021, St Barbara announced the planned acquisition of Bardoc Gold. This acquisition is progressing well, and we are on track to finalise as planned in mid-April 2022.

Through this announcement we have made a decisive step towards securing Leonora's future as a significant processing hub in the Western Australian goldfields.

### Leonora Exploration

As part of the Leonora Province Plan, St Barbara continues to conduct exploration drilling in the Leonora region.

We have recently completed drilling at Trevor Bore north of Leonora and drilling at Tower Hill and Harbour Lights is still ongoing. In the next month we will commence step out drilling at both deposits which will see rigs moving close to town.

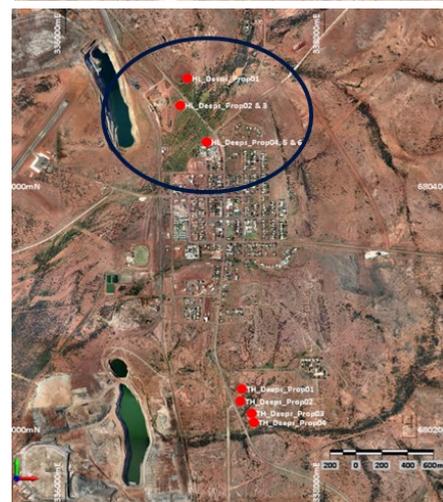

This work will be undertaken as follows:

#### Tower Hill Deeps

Drilling will commence in early March. This drilling is located south of the hospital access road (see map) and comprises of four diamond drill holes for 2,700 metres. It will take approximately 60 days to complete with one drill rig operating 24/7.

#### Harbour Lights Deeps

Drilling will commence mid to late-March. This drilling is located immediately north of Leonora (refer map). The program will comprise of three diamond drill holes for 2,300 metres and will take approximately 50 days to complete with one drill rig operating 24/7. We will be putting in place noise barriers for the Harbour Lights Deeps drilling which should reduce the impact on the community.

If you have any questions in relation to this drill program, please contact Wendy Mathews, Senior Community Engagement Specialist on 0418 358 155 or email [Leonora.community@stbarbarabarbara.com.au](mailto:Leonora.community@stbarbarabarbara.com.au).

## International Women's Day—8 March 2022

St Barbara is proud to celebrate International Women's Day on the 8 March. Held annually, it celebrates the social, economic, cultural and political achievements of women. It also marks a call to action for accelerating gender equality to create a world where women and girls everywhere have equal rights and opportunities.

This year's theme is #BreakTheBias. This focuses on recognising and responding to the conscious and unconscious gender bias that is still evident in our communities.

At St Barbara we have already started our celebration of International Women's Day onsite and will continue to promote throughout the whole month of March, not just the 8th. We will be celebrating strong and empowered women within our workforce by having all staff involved with a morning tea, cupcakes and a special breakfast. Staff have already downloaded messages to promote their support to 'Break the Bias' as part of the celebration.

St Barbara is also celebrating our female employees on LinkedIn - St Barbara Limited: My Company | LinkedIn. Check out their amazing stories.

As a major sponsor of the Nyungaku Women's Group and the important work they do, we encourage you to support their Women's Week (8-12 March) as they, like St Barbara, believe we need more than a day to celebrate women in our community. This week will give women and girls in the Northern Goldfields a chance to come together to support one another, share information and celebrate women's achievements.

Nyungaku Women's Group is also having an International Women's Day Hamper Giveaway. For a chance to win, simply tell them in 50 words or less about the phenomenal woman you are or a woman you know in the Leonora community. Email your submission to [admin@nyungakuleonora.com.au](mailto:admin@nyungakuleonora.com.au). Submissions must be received by 5.00pm on the 8 march.

St Barbara would have loved to have been involved in the community activities throughout the week, but this is not possible due to our restricted access into the community at present.

**To all women around the world: [Happy International Women's Day!](#)**

## Gold Industry Group

Late last year, St Barbara hosted the Gold Industry Group at our Leonora Operations to interview some of our staff for use in their Jobs in Gold promotion. Three of our employees were interviewed to explain their role and why they like working at St Barbara.

Enjoy reading the career insights from Samantha Biddle (Maintenance Planner), Brian Nguyen (Mining Engineer-Drill and Blast) and Tari Zador (Underground Surveyor) - St Barbara Limited: Posts | LinkedIn.

## Congratulations to CDP Participant Sebastian + Preparations Commence for First AP/LTC/ CDP Waalitj Industry Led Training Colab.

It was a pleasure to visit **Australian Potash** at the **Laverton Training Centre (LTC)** recently to meet with Community Liaison Officer, Sarah, General Manager Mac Jensen and CDP Participant Sebastian as we commence the beginning of a solid collaboration.

The LTC is an initiative of Australian Potash, providing accessible nationally accredited Vocational Training with the aim of engaging Aboriginal people living in remote Western Australia.

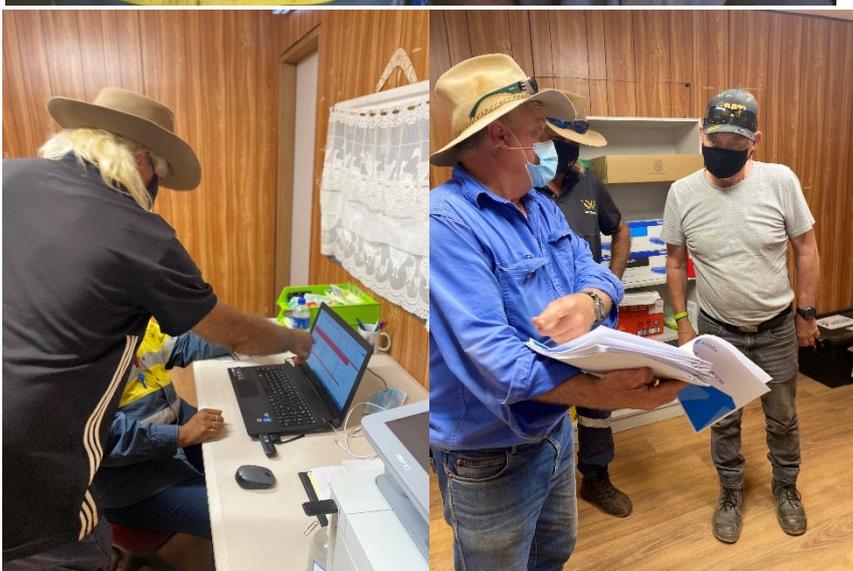

This model encompasses the unique training ethos from the highly successful Martu-ku Yiwarra Training Centre in Wiluna, a 4-year remote pilot program delivered through CRTAFE.

With ongoing support from diverse partners, it has quickly become an example of successful industry-led training with a strong focus around on-country Certification II in Rural (Ranger) Operations and Remote Works Package.

Congratulations Sebastian on securing ongoing employment, you are a fantastic role model to future employees and students.

The Waalitj Foundation CDP Program have been provided the opportunity to present over 20 CDP Participants from across the Laverton, Mt Margaret and Leonora communities to commence a Certificate II Rural Operations course with a direct link to employment pathways. Training commences 1<sup>st</sup> March 2022.

With the evident success of our CDP Try A Trade Pilot Project in Leonora last year, the Foundation are excited to be part of future partnerships leveraging on each other's services towards positive impact and successful outcomes for all involved.

### Leonora Hydroponics Project giving back to community...

Our Hydroponics CDP Project is flourishing in Leonora, with garden gurus Garry John and Angie giving back to community with a variety of locally home-grown garden boxes.

A selection of corn, chilli's, capsicum, eggplant along with citrus trees aim to assist with healthy food promotion and will be the base for future Gardening/Eco/Horticulture Training.

Watch this space for a new Hydroponics Project in Wiluna!

### Partnership Growth with MSR Leonora

A quick pop in visit for an on-site Cook Up for Staff of Minesite Recycling Leonora, Management and CDP Participants recently.

Thank you to Garry Johns (Activity Supervisor, Leonora) and host MSR for a great catch-up.

It was also great to see Brenton (Past CDP Participant) flourishing in his Senior role with MSR, providing ongoing mentorship to staff.

### CDP WELCOMES NEW STAFF MEMBER GARY ASHWIN!!!

GARY WILL BE WORKING AS ACTIVITY SUPERVISOR WITHIN THE WILUNA COMMUNITY.

GARY HAS GRASS ROOTS KNOWLEDGE WITH NEW COMMUNITY PROJECT IDEAS, WITH CONSULTATION DATE SET TO DISCUSS FURTHER ON THE 15<sup>TH</sup> MARCH 22.

ALL THE VERY BEST GARY...

### CDP ROADSHOW

We would like to advise of Community Consultation on the following Dates across the Region:

- Laverton/Mt Margaret – 1<sup>st</sup> March 22
- Leonora – 8<sup>th</sup> March 22
- Wiluna – 15<sup>th</sup> March 22
- Menzies – 16<sup>th</sup> March 22

Lunch will be provided on the day for CDP Participants.

## I have tested positive for COVID-19

With COVID-19 in the community, it is important for you to know what to do to keep yourself and others safe. This protocol will help you know when and how long you need to isolate for if you are COVID-19 positive.

If you return a positive Rapid Antigen Test (RAT), you must register your result with the Department of Health.

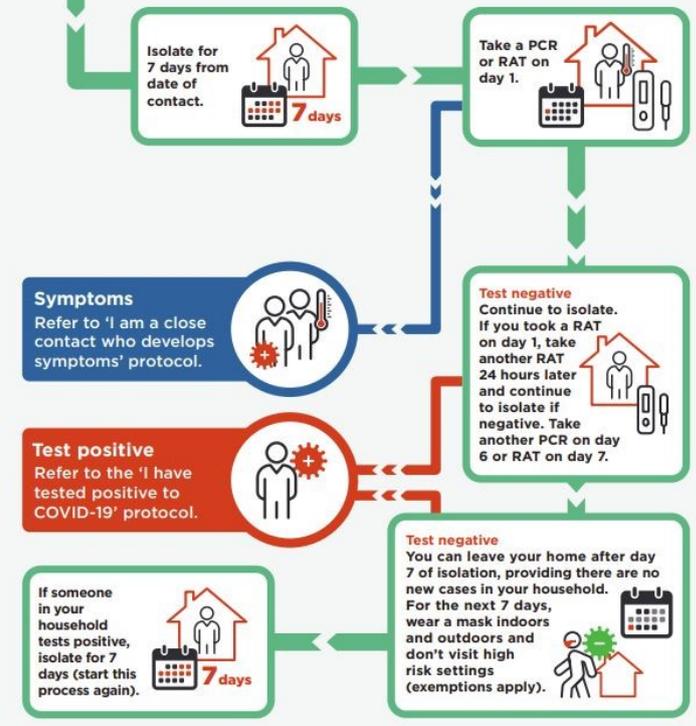

Your close contacts must follow these protocols:

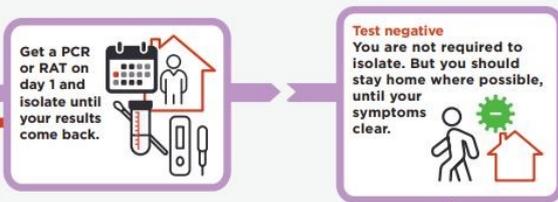

## I am a close contact and have no symptoms

This protocol will help you know what to do if you are a close contact but have no symptoms.

## I am not a close contact and I have symptoms

This protocol will help you know what to do if you have symptoms.

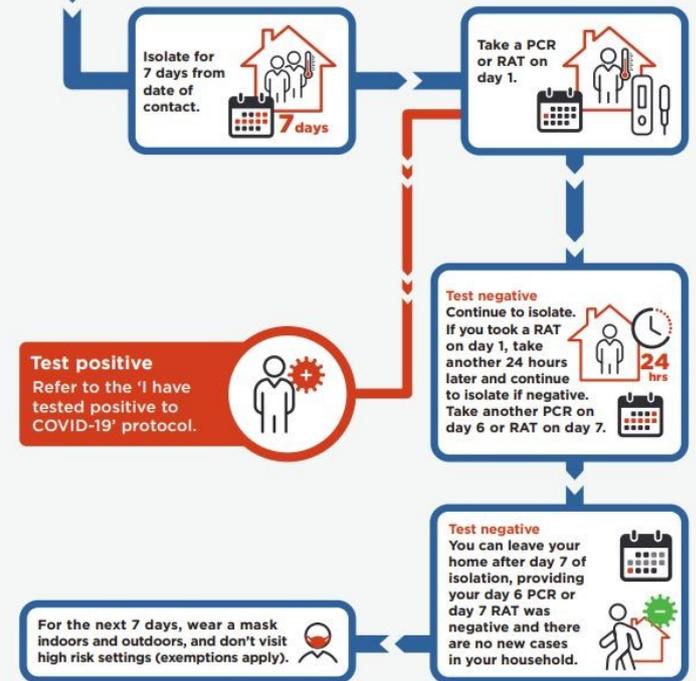

Symptoms include:

- Fever
- Sore/scratchy throat
- Runny nose
- Fatigue
- Shortness of breath
- Dry cough

## I am a close contact who develops symptoms

This protocol will help you if you have symptoms and are a symptomatic close contact of someone who has tested positive for COVID-19.

## FUN FACTS!

There were more than 700 species of dinosaurs on the land, in the sky and under the sea, of differing diets, and all shapes and sizes!

Even though dinosaurs are extinct, there are still animals today that come from the dinosaur family, including lizards, turtles, snakes and crocodiles!

Dinosaur fossils have been found on every continent, including Antarctica, which means that dinosaurs lived all over the world!
