BACKGROUND

In accordance with AASB 124 *Related Party Disclosures*, local governments must disclose in the annual financial statements related party relationships, transactions and outstanding balances (including commitments) from 1 July 2016. Related parties include Key Management Personnel (KMP), which in the Shire of Leonora's case will include all elected members and executive staff, their close family members and any entities that they control or jointly control. The disclosure requires any transactions with these parties, whether monetary or not, to be identified and assessed whether disclosure is required or not. A disclosure may be in aggregate and will only occur where a transaction has occurred.

Regarding the disclosures, the following approach was developed in a workshop held at the June 2017 Audit and Risk Committee Meeting to ensure that management can properly address the requirements of the accounting standard:

- A procedure / guide for related party disclosures to be established, which includes the updating of returns quarterly through the Audit and Risk Committee Meetings
- Establishment of a system to identify and record related parties of KMPs
- Establishment of a system to identify and record related party relationships of KMPs
- Establishment of a system to identify and record related party transactions
- Identify 'Ordinary Citizen Transactions' (OCTs) that will not be disclosed by Council
- Create declaration forms to be completed by KMPs
- Set a materiality threshold for management to apply when assessing transactions for inclusion in the financial statements
- Identified the need for a separate workshop to be scheduled for newly elected members and
- For the Audit and Risk Committee to recommend any changes required to the above processes

STATUTORY ENVIRONMENT

Disclosures were required from Local Government entities from 1 July 2016 in accordance with AASB 124 *Related Party Disclosures*, with the first disclosures made in the Financial Statements for the year ended 30 June 2017.

POLICY IMPLICATIONS

There are no policy implications resulting from the recommendation of this report.
