NOTICE OF AN ORDINARY COUNCIL MEETING AGENDA

DEAR COUNCIL MEMBER,
THE NEXT ORDINARY COUNCIL MEETING OF THE SHIRE OF LEONORA WILL BE
HELD ON TUESDAY, 21ST MARCH, 2023 IN COUNCIL CHAMBERS, LEONORA AT
9:30AM

JG EPIS
CHIEF EXECUTIVE OFFICER

AGENDA FOR THE MEETING IS DETAILED OVER PAGE.

SHIRE OF LEONORA

INFORMATION FOR PUBLIC ATTENDING COUNCIL MEETINGS

PLEASE NOTE:-

THE RECOMMENDATIONS CONTAINED IN THIS AGENDA ARE OFFICERS' RECOMMENDATIONS ONLY AND SHOULD NOT BE ACTED UPON UNTIL COUNCIL HAS RESOLVED TO ADOPT THOSE RECOMMENDATIONS.

THE RESOLUTIONS OF COUNCIL SHOULD BE CONFIRMED BY PERUSING THE MINUTES OF THE COUNCIL MEETING AT WHICH THESE RECOMMENDATIONS WERE CONSIDERED.

MEMBERS OF THE PUBLIC SHOULD ALSO NOTE THAT THEY ACT AT THEIR OWN RISK IF THEY ENACT ANY RESOLUTION PRIOR TO RECEIVING OFFICIAL WRITTEN NOTIFICATION OF COUNCIL'S DECISION.

JG EPIS
CHIEF EXECUTIVE OFFICER

COUNCIL MEETING INFORMATION NOTES

1. Your Council generally handles all business at Ordinary or Special Council Meetings.
2. From time to time Council may form a Committee to examine subjects and then report to Council.
3. Generally, all meetings are open to the public; however, from time to time Council will be required to deal with personal, legal and other sensitive matters. On those occasions Council will generally close that part of the meeting to the public. Every endeavour will be made to do this at the last item of business of the meeting.
4. Public Question Time. It is a requirement of the Local Government Act 1995 to allow at least fifteen (15) minutes for public question time following the opening and announcements at the beginning of the meeting. Should there be a series of questions the period can be extended at the discretion of the Chairman.

Written notice of each question should be given to the Chief Executive Officer fifteen (15) minutes prior to the commencement of the meeting. A summary of each question and response is included in the Minutes.

When a question is not able to be answered at the Council Meeting a written answer will be provided after the necessary research has been carried out. Council staff will endeavour to provide the answer prior to the next meeting of Council.

5. **Councillors** may from time to time have a financial interest in a matter before Council. Councillors must declare an interest and the extent of the interest in the matter on the Agenda. However, the Councillor can request the meeting to declare the matter **trivial, insignificant or in common with a significant number of electors or ratepayers**. The Councillor must leave the meeting whilst the matter is discussed and cannot vote unless those present agree as above.

Members of staff, who have delegated authority from Council to act on certain matters, may from time to time have financial interest in a matter in the Agenda. The member of staff must declare that interest and generally the Chairman of the meeting will advise the Officer if he/she is to leave the meeting.

6. Agendas including an Information Bulletin are delivered to the Councillors within the requirements of the Local Government Act 1995, i.e. seventy-two (72) hours prior to the advertised commencement of the meeting. Whilst late items are generally not considered there is provision on the Agenda for items of an urgent nature to be considered.

Should an elector wish to have a matter placed on the Agenda the relevant information should be forwarded to the Chief Executive Officer in time to allow the matter to be fully researched by staff. An Agenda item including a recommendation will then be submitted to Council for consideration.

The Agenda closes the Wednesday week prior to the Council Meeting (i.e. six (6) days prior to the meeting).

The Information Bulletin produced as part of the Agenda includes items of interest and information, which does not require a decision of Council.

7. Agendas for Ordinary Meetings are available in the Leonora Shire office and Leonora library seventy-two (72) hours prior to the meeting and the public are invited to secure a copy.

8. Agenda items submitted to Council will include a recommendation for Council consideration. Electors should not interpret and/or act on the recommendation until after they have been considered by Council. Please note the Disclaimer in the Agenda (page 3).
9. Public Question Time – Statutory Provisions – Local Government Act 1995
Time is to be allocated for questions to be raised by members of the public and responded to at:

- (a) Every ordinary meeting of Council; and
- (b) Such other meetings of Council or committees as may be prescribed

Procedures and the minimum time to be allocated for asking of and responding to questions raised by members of the public at Council or committee meetings are to be in accordance with regulations.

9A. Question Time for the Public at the certain Meetings – s5.24 (1) (b)

Local Government (administration) Regulations 1996

Reg 5 For the purpose of section 5.24(1)(b), the meetings at which time is to be allocated for questions to be raised by members of the public and responded to are:

- (a) Every special meeting of a Council; and
- (b) Every meeting of a committee to which the local government has delegated a power or duty.

Minimum Question Time for the Public – s5.24 (2)

Reg 6 (1) The minimum time to be allocated for asking of and responding to questions raised by members of the public at ordinary meetings of Council and meetings referred to in regulation 5 is fifteen (15) minutes.

- (2) Once all the questions raised by members of the public have been asked and responded to at a meeting referred to in sub regulation (1), nothing in these regulations prevents the unused part of the minimum question time period from being used for other matters.

Procedures for Question Time for the Public – s5.24 (2)

Local Government (Administration) Regulations 1996

Reg 7 (1) Procedures for the asking of and responding to questions raised by members of the public at a meeting referred to in regulation 6 (1) are to be determined:

- (a) by the person presiding at the meeting; or
 - (b) in the case where the majority of the members of the Council or committee present at the meeting disagree with the person presiding, by the majority of the members, having regard to the requirements of sub regulations (2) and (3).
- (2) The time allocated to the asking and responding to questions raised by members of the public at a meeting referred to in regulation 6(1) is to precede the discussion of any matter that requires a decision to be made by Council or committee, as the case may be.
- (3) Each member of the public who wishes to ask a question at a meeting referred to in regulation 6(1) is to be given an equal and fair opportunity to ask a question and receive a response.

(4) Nothing in sub regulation (3) requires:

- (a) A Council to answer a question that does not relate to a matter affecting the local government;
- (b) A Council at a special meeting to answer a question that does not relate to the purpose of the meeting; or
- (c) A committee to answer a question that does not relate to a function of the committee.

10. Public Inspection of Unconfirmed Minutes (Reg 13)

A copy of the unconfirmed Minutes of Ordinary and Special Meetings will be available for public inspection in the Leonora Shire office and the Leonora library within ten (10) working days after the Meeting.

INTEREST DECLARATIONS

With regards to Direct Financial Interests, Indirect Financial Interests and Proximity Interests, please consider sections 5.60A, 5.60B, 5.61 and 5.63 of the *Local Government Act 1995* and associated regulations.

Financial Interests

For the purpose of the financial interest disclosure provisions you will be treated as having an interest in a matter, if either you (as a relevant person), or a person with whom you are closely associated, has:

- a direct or indirect financial interest in a matter; or
- a proximity interest in a matter.

Direct Financial Interest

Section 5.60A of the *Local Government Act 1995* provides that:

A person has a financial interest in a matter if it is reasonable to expect that the matter will, if dealt with by the local government, or an employee or committee of the local government or member of the council of the local government, in a particular way, result in a financial gain, loss, benefit or detriment for the person.

Indirect Financial Interest

Section 5.61 of the *Local Government Act 1995* provides more detail in regards to this, however the existence of an indirect financial interest in a matter can be established by showing that you, or a person with whom you are closely associated, has a financial relationship with a person requiring a local government decision in relation to that matter. There is no requirement to establish a financial gain, loss, benefit or detriment in this instance, the mere existence of a financial relationship and the requirement for a decision is sufficient for a breach of the provision to have occurred.

Proximity Interest

See Section 5.60B of the *Local Government Act 1995* for further detail.

The Act requires you to disclose a proximity interest that you, or a person with whom you are closely associated, has in a matter before a council or council committee meeting.

You (or a person with whom you are closely associated) have a proximity interest in any matter that concerns:

- a proposed change to a planning scheme affecting land that adjoins the person's land;
- a proposed change to the zoning or use of land that adjoins the person's land; or
- a proposed development of land that adjoins the person's land (development refers to the development, maintenance or management of the land or of services or facilities on the land).

The existence of a proximity interest is established purely by the location of land, a financial effect on the valuation of your land or on the profitability of your business does not have to be established. It is therefore important that you fully understand when a proximity interest exists.

The person's land referred to is both land in which you, or a person with whom you are closely associated, have any estate or interest.

Land that adjoins a person's land is defined by the Act as land that:

- not being a thoroughfare, has a common boundary with the person's land;
- is directly across a thoroughfare from the person's land; or
- is that part of a thoroughfare that has a common boundary with the person's land.

Impartiality Interest

Impartiality Interest For the purposes of requiring disclosure, an impartiality interest is addressed at Division 4 of the Shire of Leonora Code of Conduct for Council Members, Committee Members and Candidates as, *"an interest that could, or could reasonably be perceived to, adversely affect the impartiality of the person having the interest and includes an interest arising from kinship, friendship or membership of an association"*

The above definition includes examples of the type of relationships from which an interest could arise. However, a significant element is the likely public perception as to whether there may be an interest.

It is sometimes difficult to judge what a reasonable belief of another person is. Therefore, when deciding if such an interest should be disclosed, it is helpful to establish answers to the following questions:

- If you were to participate in assessment or decision making without disclosing, would you be comfortable if the public or your colleagues became aware of your association or connection with an individual or organisation?
- Do you think there would be a later criticism of perceived undisclosed partiality if you were not to disclose?

BACKGROUND

Each year, Council is required to complete an annual compliance audit return (CAR) for the calendar year immediately preceding (1st January to 31st December) as published by the Department for Local Government, Sport and Cultural Industries. The CAR is then to be reviewed by the Audit Committee and a report presented to Council prior to the adoption of the CAR.

This year, the CAR was reviewed and completed by Moore Australia. Tanya Browning, Associate Director, and Jessica Spark, Senior Project Officer, Local Government Services from Moore Australia attended the Shire offices on 2-3 February 2023, during which time the CAR was completed through interviews with senior staff and the inspection of various documents and records including:

- Minute books
- Tender Register
- Financial Interest & Return Register
- Complaints Register
- Delegations Register
- Council's website

The CAR is one of the tools that allow Council to monitor how the organisation is functioning in regards to compliance with the Local Government Act 1995 and provides the Audit and Risk

Committee the opportunity to report to Council any cases of non-compliance or where full compliance was not achieved.

This process also provides opportunity for the Audit and Risk Committee to consider matters that may require further review within ongoing risk framework assessments and actions.

The 2022 Compliance Audit Return has been attached and will be considered by the Audit and Risk Committee Meeting to be held 9am, Tuesday, 21st March, 2023, with the recommended decision being to recommend the adoption of the report to the Council, and that the Shire President and Chief Executive Officer be authorised to sign the Compliance Audit Return for submission to the Department of Local Government.

Through the completion of the 2022 CAR, there was an instance of non-compliance noted, in relation to procurement. Whilst systems and processes should be in place to ensure compliance with the purchasing policy and legislation, it is impossible to certify compliance in every instance without a complete examination of all purchases. Instances of non compliance were noted by management to have occurred during the reporting period, as well as the difficulty to declare during the review period the appropriate number of quotations had been obtained for every purchase (particularly low value purchases) in accordance with the purchasing policy.

A summary of the matters noted during the completion of the 2022 CAR is attached for information. The attached summary also notes general improvement opportunities to systems and processes identified through the completion of the CAR. These improvements may assist the Shire in its risk management activities and continual improvement of administrative and compliance functions.

STATUTORY ENVIRONMENT

Regulation 14 of the *Local Government (Audit) Regulations 1996* provides:

- (1) A local government is to carry out a compliance audit for the period 1 January to 31 December in each year.
- (2) After carrying out a compliance audit the local government is to prepare a compliance audit return in a form approved by the Minister.
- (3A) The local government's audit committee is to review the compliance audit return and is to report to the council the results of that review.
- (3) After the audit committee has reported to the council under subregulation (3A), the compliance audit return is to be —
 - (a) presented to the council at a meeting of the council; and
 - (b) adopted by the council; and
 - (c) recorded in the minutes of the meeting at which it is adopted.

Regulation 14 of the *Local Government (Audit) Regulations 1996* details the requirements with regard to certifying the CAR and issuing to the Departmental CEO

Section 7.13(1)(i) of the *Local Government Act 1995* refers to the provisions within regulations with regard to audits.

BACKGROUND

The Shire of Leonora continues to be committed to supporting local young people and recognises the importance of considering their diverse needs when investing in facilities and services within the community.

Contracted by the Department of Communities the Shire of Leonora subcontracts to an external provider on Council's behalf to facilitate youth services and programs. The Shire of Leonora also provides additional funding to maintain the level of service required to meet the needs of local young people. The Leonora Youth Centre (LYC) and Youth Support Services (YSS) has been operating since May 2014 and additional to this, youth services and programs are also delivered in Leonora by external youth stakeholders and service providers. The LYC and YSS is required to work collaboratively with these groups.

The establishment of the Shire of Leonora #SaferLeonora Committee of Council and release of the #SaferLeonora Plan 2022-2027 in May 2022, validated the importance of young people's health and wellbeing through engagement.

These results offered Council the opportunity to engage a consultant to undertake a review of the Leonora Youth Centre and Youth Support Services. The formal consultation process completed in August 2022 sought views of the local community and assessed the effectiveness of the current deliverables against the outcomes of the intended project.

Comment

The Shire of Leonora is seeking Council approval to invite Expressions of Interest from those interested in providing the Leonora Youth Centre (LYC) and Youth Support Services (YSS).

The objectives of the LYC and YSS are to:

- Reduce the overall level of risk of young people frequenting the youth service.
- Improve relationships between young people at risk with their family, school and community.
- Link young people at risk to appropriate services such as employment, training, education, accommodation, counselling, rehabilitation, and recreation.
- Enhance the ability of young people at risk to effectively manage their lives and increase their resilience.

A Memorandum of Understanding (MOU) for the operation of the Leonora Youth Centre and Youth Support Services will be entered into with the successful Sub-Contractor. The MOU will set out the terms and understanding between the Shire of Leonora and the Sub-Contractor for the operation of the Leonora Youth Centre and Youth Support Service. The MOU will be executed between the participating Parties with the Shire of Leonora's Common Seal.

STATUTORY ENVIRONMENT

Section 3.2(2) of the *Local Government Act 1995* states that the general function of a local government is to provide for the good government of persons in its district.

POLICY IMPLICATIONS

There are no policy implications resulting from the recommendation of this report.

FINANCIAL IMPLICATIONS

There is provision in the 2022/23 Budget for any financial implications resulting from the recommendation of this report

STRATEGIC IMPLICATIONS

As per the Shire of Leonora Plan for the Future, the recommendation of this report supports Strategic Objective 1.4 – Engaged and Supported Youth – as part of the Social key objective for “*an empowered and spirited community*”

RECOMMENDATIONS

That Council through the Chief Executive Officer

1. invite Expressions of Interest from those interested in providing the Leonora Youth Centre and Youth Support Services as a Sub-Contractor; and
2. enter into a Memorandum of Understanding with a suitable Youth Support Services Provider executed with the Shire's Common Seal

1. EXECUTIVE SUMMARY

The Shire of Leonora is committed to supporting local young people and recognises the importance of considering their diverse needs when investing in facilities and services within the community.

The Leonora Youth Centre (LYC) and Youth Support Service (YSS) is facilitated by the Shire of Leonora, providing youth services and programs to local young people. The Shire of Leonora is contracted by the Department of Communities to provide the LYC and YSS, and subcontracts to an external provider to facilitate the service on Council's behalf. The Shire of Leonora provide additional funding to maintain the level of service required to meet the need.

Youth services and programs are also delivered in Leonora by external youth stakeholders and the Shire of Leonora contribute towards the cost of delivering these additional programs and activities.

This review assesses the effectiveness of the LYC and YSS against the intended project deliverables, determines what new factors are impacting Leonora young people and identifies what is needed for the future. The review also considers existing youth services and programs, strategically analysing how the Shire can better compliment and collaborate with other services and programs offered to local young people.

The timing of this review follows the establishment of the Shire of Leonora #SaferLeonora Committee and the release of the #SaferLeonora Plan 2022-2027, which recognises the importance of engaged young people in the Leonora community as an insurance of their health and wellbeing.

For the purposes of this review young people or youth are defined as being aged between 5 and 24 years of age.

2. INTRODUCTION

2.1 SHIRE OF LEONORA (PLACE)

The Leonora township was established in the Goldfields-Esperance region of Western Australia in 1898. It is situated within the Western Desert, approximately 832kms north-east of Perth and 230kms north of Kalgoorlie.

The region is extremely remote and there is a significant distance between each of the major settlements. The Shire of Leonora, which includes both townships of Leonora and Leinster, has a land area of 31,958 square kilometres with a population density of 0.05 people per square kilometre.

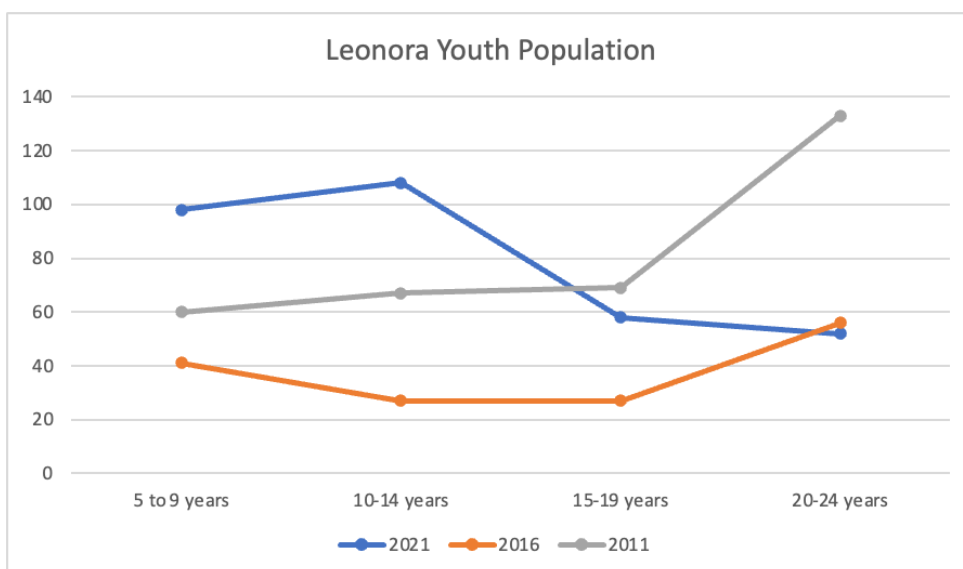

The residential population of Leonora is 1,588 (ABS, 2021) however according to the Shire of Leonora's Plan for the Future, the fly-in-fly-out (FIFO) and drive-in-drive-out (DIDO) population is estimated to be 2,000 people, and this increases numbers of regular dwellers in the community. 'The dramatic ebbs and flows of Leonora's population are closely linked to localised mining operations, and the majority of the town's employment is provided through the resource sector' (Rola-Rubzen et. al., 2010, p18).

In addition to this 10% of the population in Leonora identify as being Aboriginal or Torres Strait Islander however populations expand or shrink depending on cultural activities occurring in the region.

2.2 LEONORA YOUNG PEOPLE

Population

The population of young people aged 5-24 in Leonora is 316 (ABS, 2021) which equates to 23.5% of the total population. There has been a significant decrease in the population of young people from the 15-24 age group over the past ten years and this is contributing toward the region’s shortage of skilled workers.

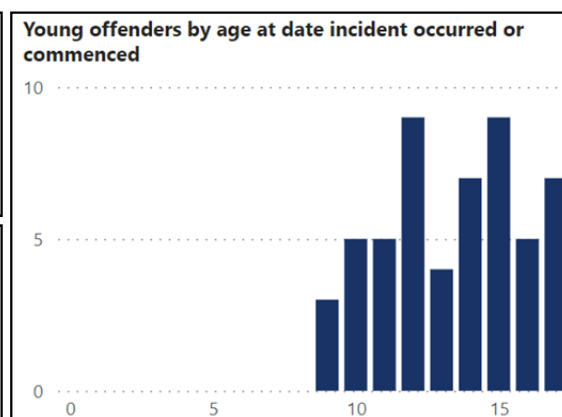

Responsible Behaviour

Western Australian Police Force (WAPOL) Young Offender statistics in 2021 for Leonora show a spike in offending between the ages of 12 and 15 however, offences were recorded for young people between the ages of 9 and 17. 100% of offences recorded were committed by Aboriginal young people, with 61% of those being male.

Ethnicity	# Offenders	% Offenders
Aboriginal and/or Torres Strait Islander	46	100.0%

There is a strong link between youth offending and adverse home circumstances such as exposure to family violence, alcohol/drug use and crime for youth under 18 years of age. 'Foetal Alcohol Syndrome is considered a prominent contributing factor to youth crime, incarceration of youth and suicides' (WAPOL, 2018).

Young people in Leonora have widely differing interests, barriers and needs. They are limited with their choice of social and networking opportunities, and this causes an increase in engagement of high-risk behaviours as a result of boredom.

Diversion of Leonora Young People Away from the Criminal Justice System

A key focus for WAPOL is to work across Government to divert more young people away from the criminal justice system. Many young people start to show anti-social behaviour as they enter their teenage years. This can be a one-off incident, a 'stage' they go through because they are influenced by peers, or the start of a longer-term pattern of offending' (Government of WA - Department of Justice).

Young Leonora people diverted from the criminal justice system in 2021:

Education, Training and Employment

'The number of students who continue to the senior years is very low. A lot of students have either left school or left with their families in search of better opportunities to study' (Rola-Rubzen et. al., 2010, p9). Non-completion of schooling is also a contributing factor. Early school leaving is most often the consequence of a mix of highly individualised circumstances. Key influences that increase the risk of non-completion of schooling include socio-economic status, family, residential impacts, school mobility and increased sibling responsibilities.

The closest training facilities which could provide alternative training opportunities for Leonora young people are located in Kalgoorlie. 'There is a need for extension of collaboration projects which would assist students in their transition from the school to the workplace' (Rola-Rubzen et al., 2010, p9).

Culturally appropriate work opportunities within Leonora are limited. Many Aboriginal people are reluctant to travel outside the region to seek work due to their significant attachment and connection to place. Although there are large numbers of jobs in Leonora, they are usually not filled by local young people.

Stakeholder feedback: "We need employment pathways for young people ... opportunities for skill development and formal traineeships"

It is perceived that younger people are leaving Leonora seeking education and employment opportunities. Youth are a contingent element of community, economic resilience and sustainability in Leonora. Investing in opportunity to increase education and employment will likely encourage young people to remain in Leonora, have their own children here and contribute to increasing the overall population.

Health and Wellbeing

There are a number of young people in the community of Leonora whose personal experiences are risk factors that could lead to poor outcomes. The impact of domestic and family violence in young people extends well beyond their immediate safety. Use of drugs and alcohol can often be a coping mechanism for young people to manage the trauma of domestic and family violence, and significant numbers are dealing with poor mental health.

There has been a 50% increase in family violence incident reports from 2009-10 to 2016-17, with over representation in Aboriginal communities. Substance abuse is a contributing factor and there is a strong link between family violence and youth offending (WA Police Force Annual Report, 2018).

There is an increasing demand for public housing. The risk of homelessness and overcrowded living conditions pose a serious threat to the health and wellbeing of young people in Leonora. The Department of Communities maintains a general and priority waitlist for public housing in Western Australia. As at 30 June 2022, there were 17 applicants in the Leonora Preference Zone on the waitlist for public housing and 25 properties occupied by public housing tenants. Factors influencing the time an applicant may wait include the turnover of properties in the region, the type of accommodation required and the number of people ahead of the applicant on the waitlist.

'Isolation and low population critical mass contribute to the cost of living in Leonora. These costs increase impacts to households and businesses, affecting

the viability of improving service and provision of infrastructure' (Goldfields-Esperance Development Commission, 2016, p13).

2.3 YOUTH STAKEHOLDERS

A core value of the Shire of Leonora is to work in partnership with existing youth stakeholders to enhance the opportunities available locally. To achieve this, stakeholder collaboration is an essential and ongoing process.

2.3.1 SHIRE OF LEONORA (LGA)

The Shire of Leonora has a significant investment in facilities, services and initiatives within the community to support young people, offering a range of activities within the township. These include:

Leonora Youth Centre and Youth Support Service

The LYC and YSS has been operating since May 2014. The aim of the initiative is primarily to support young people within the Leonora community, through the provision of diversionary and recreational activities based at the Leonora Youth Centre.

The objectives of the LYC and YSS are to:

- Reduce the overall level of risk of young people frequenting the youth service.
- Improve relationships between young people at risk with their family, school and community (as perceived by the young people frequenting the youth service).
- Link young people at risk to appropriate services such as employment, training, education, accommodation, counselling, rehabilitation and recreation.
- Enhance the ability of young people at risk to effectively manage their lives and increase their resilience.

The LYC and YSS are funded by both the Department of Communities and the Shire of Leonora. The Shire of Leonora were successful in securing a contract with the Department of Communities and this partnership provides an annual funding contribution towards delivery of the service which is managed through a service agreement.

The Shire of Leonora contract the management of the LYC and YSS to external organisation 'Transcend Initiatives Pty Ltd' for the amount of \$9,960 (plus GST) per month. This arrangement has been formalised through Memorandum of Understanding (MOU). The external organisation is responsible for the delivery of the LYC and YSS (as outlined in the MOU) as well as all overheads and reporting requirements associated with the running of that service.

Leonora Recreation and Aquatic Centre

The Shire of Leonora Recreation and Aquatic Centre is a well-equipped modern facility located in the town centre. It houses airconditioned squash courts, a gymnasium and an indoor basketball court that can also be used for other sports such as indoor cricket and volleyball. Outside, the Centre offers netball and tennis courts. The Leonora Football Oval and changeroom facilities are also provided as part of the recreation provision for the community.

The Aquatic Centre is located in Leonora's town centre and is attached to the Leonora Recreation Centre. It has a 6 lane, 25m lap pool (1m to 1.5m in depth), a

café, outdoor play area and other water leisure infrastructure. In the swimming season, it is open Tuesday to Sunday from 10am to 6pm. This facility is popular in the summer months for local young people.

The Leonora community has limited access to sport and recreation opportunities. There is an existing Bowls Club and Gold Club however these are more suited to the older community members. 'Due to the absence of clubs, there appears little to no regional or state sporting association support for regular delivery' (DLGCI, 2020, p7). The current approach to service delivery of sport and recreation rests largely on school programs, diversionary sport and active recreation programs delivered through the Shire of Leonora and not-for-profit organisations. For this reason, participation in sport is limited.

Leonora young people were consulted about programs that they participate in. 75% of survey respondents indicated that they attend programs delivered by the Shire of Leonora via the Leonora Recreation and Aquatic Centre. The activities they valued the most were swimming, indoor cricket, netball and after school activities. They would be interested in participating in more badminton, tennis, volleyball, football and would like to have access to a personal trainer at the Recreation Centre gym.

Youth feedback: "Not everyone is into basketball."

Youth feedback: "There are a lot of artists in town so having somewhere like the Rec Centre to paint or do other arts would be good."

Youth feedback: "I wish the Recreation Centre was open Saturdays."

Youth feedback: "We need sport for the younger kids 5 and up."

Leonora Community Resource Centre

The Leonora Community Resource Centre (CRC) is a government initiative that helps to deliver quality social, business and economic outcomes to support sustainable growth in regional communities.

The Leonora CRC is part of the JP Epis Centre and is open Monday to Friday 9am – 4.30pm. The service provides internet access, printing and Skype for the community and visitors to the area. Activities and events are often delivered by the CRC targeting children and young people.

Yinkapayi Park

The Yinkapayi (meaning 'to play') Park was opened in Leonora in March 2022. The playground was created for nature-based play to encourage physical, cognitive and social development of local young people. The park located in Leonora's town centre on Tower Street. The Skate Park is not accessible at night.

Community feedback: "All youth friendly places are closed after hours so young people are finding ways to entertain themselves. They have nothing else to do."

Community feedback: "Open up youth spaces for use at night."

Leonora Skate Park and Pump Track

The Leonora Skate Park is located on Gwalia Street in Leonora. It is a modern skatepark with smooth concrete, a four-foot mini, spine, flat banks, fun box and rail set up.

In May 2021 a 94metre pump track was installed at the Leonora Skate Park to encourage young children to ride bikes and scooters at the Skate Park rather than on the main road through town.

The Skate Park is not accessible at night. Being located in a residential area, the noise that is produced at the park impacts surrounding residents.

Community feedback: "A lot of young people don't have scooters or skateboards."

Community feedback: "We need to draw attention to the skate park again."

Community feedback: "There was a bit of a problem with kids making noise late at night, so it gets locked."

Community feedback: "Someone needs to create a club or run a few events there."

Community feedback: "Having someone go to the skate park to show them a thing or two would be good."

#SaferLeonora Committee

The #SaferLeonora Committee is an official committee of Council that facilitates a collective impact approach focusing on community safety and crime prevention in Leonora.

The Committee oversees the implementation of the #SaferLeonora Plan 2022-2027, which has a strategic focus on youth crime prevention and intervention.

2.3.2 LEONORA DISTRICT HIGH SCHOOL (DHS)

Leonora District High School caters for young people from kindergarten through to year 12 and it has approximately 100 students.

The school delivers a number of additional support services to Leonora young people through partnerships with youth stakeholders. This includes breakfast club and helping young people to get to school in the mornings.

The Department of Education are the lead and responsible organisation for education and ensuring that young people attend school. Currently the school has approximately 100 students from k-12 however, the population of young people 5-19 in Leonora is 218 people. Leinster Community School confirm that their school population is currently 111 students (August 2022) so the majority of young people are enrolled in school.

Youth feedback: "Breakfast Club gives me food before I go to my lessons, so I am not hungry."

Youth feedback: "The thing I find hardest about school is waking up early when I have family issues."

Youth feedback: "The teachers here give me lots of help. I hope they don't change teachers."

2.3.3 SHOOTING STARS

The Shooting Stars program is currently operating in 15 sites across Australia, based in host schools. Leonora District High School is a participating school with the program. Approximately 30 to 40 girls are registered in the Leonora program each year between school years 3 and 12.

'In very remote and regional Australia, Aboriginal women are up to 52% less likely to graduate Year 12 than their non-indigenous peers. Shooting Stars is on a mission to change this' (Shooting Start, 2022). Shooting Stars empowers Aboriginal girls and women across Western and South Australia to make informed choices about their education and employment journey, helping them to shoot for the stars.

Participants in Leonora (Aboriginal and non-Aboriginal girls) are supported by 2 fulltime Aboriginal staff, focusing on classroom assistance and home/school liaison, support for people struggling to be transported to and from school, and with the breakfast program. The program also delivers community engagement activities including sporting opportunities and art groups.

The program is funded by National Indigenous Australia Agency and St Barbara at a cost of \$300k per annum. This cost budgets \$10k per girl per annum and the target is to support 30 girls each year in Leonora.

Leonora young people were consulted about programs that they participate in. 50% of the survey respondents are currently involved in the Shooting Stars program. All participants thoroughly enjoy everything about the program and the only criticism was that they wished that they had more of it.

Youth feedback: "I love hanging out with the other girls and bonding with them."

Youth feedback: "I like that I can be with the other girls and talk to people that can relate."

Youth feedback: "I feel comfortable being around a bunch of girls that I can talk to including Nanna Shelly."

2.3.4 KALGOORLIE PCYC

Kalgoorlie PCYC delivers fun and engaging diversionary programs to the Leonora community each month and during the school holiday period. These activities have been funded by the Shire of Leonora and Minara Resources.

Youth feedback: "They give us fun things to do on the school holidays."

Youth feedback: "They make it so we can try different sports and fun activities."

Youth feedback: "I'd love to do dodge with just the older kids."

2.3.5 STEPHEN MICHAEL FOUNDATION (SMF)

The Stephen Michael Foundation (SMF) utilise sports-based wellbeing, education, leadership, training and employment programs to support children and young people to become valued members of their community regardless of their cultural background, gender or social circumstance.

SMF identify strengths of the community and engage them in programs with a focus on building the capacity of local community members to sustain ongoing activity and positive outcomes.

SMF has been visiting the Northern Goldfields region and delivering youth engagement programs in Leonora, Laverton and Leinster since 2020. Initial funding was provided by the Department of Local Government, Sport and Cultural Industries. Partnerships have been formed with local mining companies to support with flights, accommodation and transport within the region. However, the SMF is seeking additional funding to ensure the long-term sustainability of programs in the region.

Up until now, SMF programs in Leonora have focussed on supporting with physical education sessions, classroom teaching at Leonora DHS and after school football games for youth at the town oval. In 2022 and beyond, the SMF aims to deliver the Rising Leaders program to targeted students at Leonora DHS (high school aged boys have been identified by the school as the target group as Shooting Stars is focusing on the girls), continue supporting with physical education sessions, classroom teaching at Leonora DHS and after school football games for youth. They will also deliver an after school multi-sport program on a more regular basis (Night Fields program), organise more

frequent sporting carnivals in the Northern Goldfields that bring multiple communities together, including hosting in Leonora.

The cost to deliver the SMF program is \$100k per year. This is including Night Fields, Rising Leaders Program, Regional Sporting Carnival and the Youth Employment Program. The contribution requirement from the Shire of Leonora is \$40k and the additional \$60k is raised through external funding.

Leonora young people were consulted about programs that they participate in. 55% of the survey respondents are currently involved in SMF programs. All participants thoroughly enjoy everything about the program and the only criticism was that they wished that they had more of it.

Youth feedback: "I like that they give us food."

Youth feedback: "I like that it gives me something to do at night."

Youth feedback: "I love Night Fields."

2.3.6 HOPE COMMUNITY SERVICES

Hope Community Services provide programs, services and interventions in collaboration with other local providers to help individuals, families and communities break free from negative cycles that affect their lives.

Services include alcohol and other drug support services, mental health support, justice and bail services, family and domestic violence and rehabilitation services. The service is available Monday to Friday from 9am to 5pm and are located in Shop 2, 72 Tower Street, Leonora.

The most concerning impact of excessive alcohol consumption is the impact on the wellbeing of children in Leonora, with many not being appropriately cared for or adequately supervised as their parents were intoxicated. Children are reported through community consultation to not be provided with adequate food due to money being spent on alcohol. Community consultation revealed that children did not want to return home at night due to alcohol consumption of their parents and concerns for their safety.

Youth feedback: "I think the main one young people need help within Leonora that I can think of is mental health. Being in my teens myself, I have struggled with anxiety, but I didn't know who I could talk to because I didn't want to put that stuff on anyone else. Maybe have a way for us kids to talk to someone without feeling shame."

Youth feedback: "We need people to talk to about our problems and health"

Youth feedback: "We need help with sorting out addictions ... and sex ed."

Youth feedback: "I would like help to get money when I need things and can't get it at home."

Community feedback: "Young children are at great risk mentally and physically through alcohol and drug intake by the adults that are responsible for their care. Children are left to wander the streets looking for shelter and food and this is reducing them to commit crime."

2.3.7 CENTRECARE KALGOORLIE

Centrecare offers extensive outreach and specialised counselling, helping with a number of key services including:

- Accommodation and Support Service
- Family Dispute and Resolution Service
- Financial Counselling Service
- Indigenous Specific Service
- Mental Health Service
- Youth and Family Counselling and Support Service
- Post Separation Service

This service is accessible on weekdays by phone, only visiting the Leonora community once per fortnight. No service is available on the weekend to support family and domestic violence. The service could be extended if accommodation was available to house staff. The service is currently operated from Kalgoorlie.

Community feedback: "There is a big problem with domestic violence here and we need a safe place for women and children and a cooling off space for the men."

Community feedback: "If there is a police order to remove someone from a house for violent behaviour, they can potentially be placed right next door because there is nowhere else for them to go. This is not providing opportunity to protect the victim."

Community feedback: "We don't have a FDV worker full time here and it is needed."

Community feedback: "We need a youth hostel ... a safe space where youth could stay for short periods of time when they need to get away from home and learn livability skills, get food, etc."

2.3.8 NYUNNGA-KU

Nyunngaku (meaning 'Women belong too') is a community group based in Leonora that is committed to investing in women and female youth. It focuses on making the women feel connected and part of the community and supports them in maintaining good mental health and wellbeing.

The program has a hub in the Leonora town centre which offers a space for women to gather and network in an inclusive environment.

By approaching women's issues, through first increasing self-confidence, promoting self-worth, self-care, friendship and sharing experiences with other women, who have had similar challenges, getting to know one another and understanding each other's needs, becomes much easier and as a result we are in a better position to help one another.

2.3.9 WESTERN AUSTRALIA POLICE FORCE (WAPOL) LEONORA

The Western Australia (WA) Police Force is responsible for policing the world's largest single police jurisdiction, covering Western Australia's 2.5 million square kilometres, with a structure comprising two regions, 15 districts and more than 200 police facilities.

The Goldfields-Esperance District of the WA Police Force is responsible for policing a large remote jurisdiction in the south-eastern corner of Western Australia, covering an area of 771,276 square kilometres and 9 Local Government areas with 14 police facilities. Their service delivery is responsive to the needs of our diverse communities.

The social and economic importance of ensuring that young people do not become entrenched in the criminal justice system cannot be overstated. WAPOL is working in partnership with the Department of Justice to divert early and minor young offenders from the formal judicial system and further offending behaviour.

The development and delivery of community-based crime prevention initiatives contributes to the achievement of effective, enduring and sustainable solutions by encouraging local problem solving and local investment in issue management, significantly improving community safety.

The Leonora Police Station is located on Rochester Street in Leonora's town centre. Local Police are proactive with their participation in youth diversion.

Community feedback: "We need to work together and provide more active support for our police and other community organisations."

Community feedback: "I think that our current team of Police Officers are doing a fantastic job. They genuinely care about the community and are working hard to make it a safer and more peaceful place for all of us."

Stakeholder feedback: "There needs to be an overarching coordinator to help us to work together more effectively. This needs to be someone that has no vested interest ... more objective. It needs to sit with the Shire."

3. LEONORA YOUTH CENTRE REVIEW

The LYC and YSS have been operating since May 2014. While the service is reviewed for contractual compliance bi-annually by the Department of Communities, the program has not been reviewed to ensure that it continues to be a relevant service that targets the current needs of young people in the Leonora community.

For the purposes of this review, statistical data from 2020 and 2021 has been used to inform the report.

3.1 REVIEW OF KEY DOCUMENTS

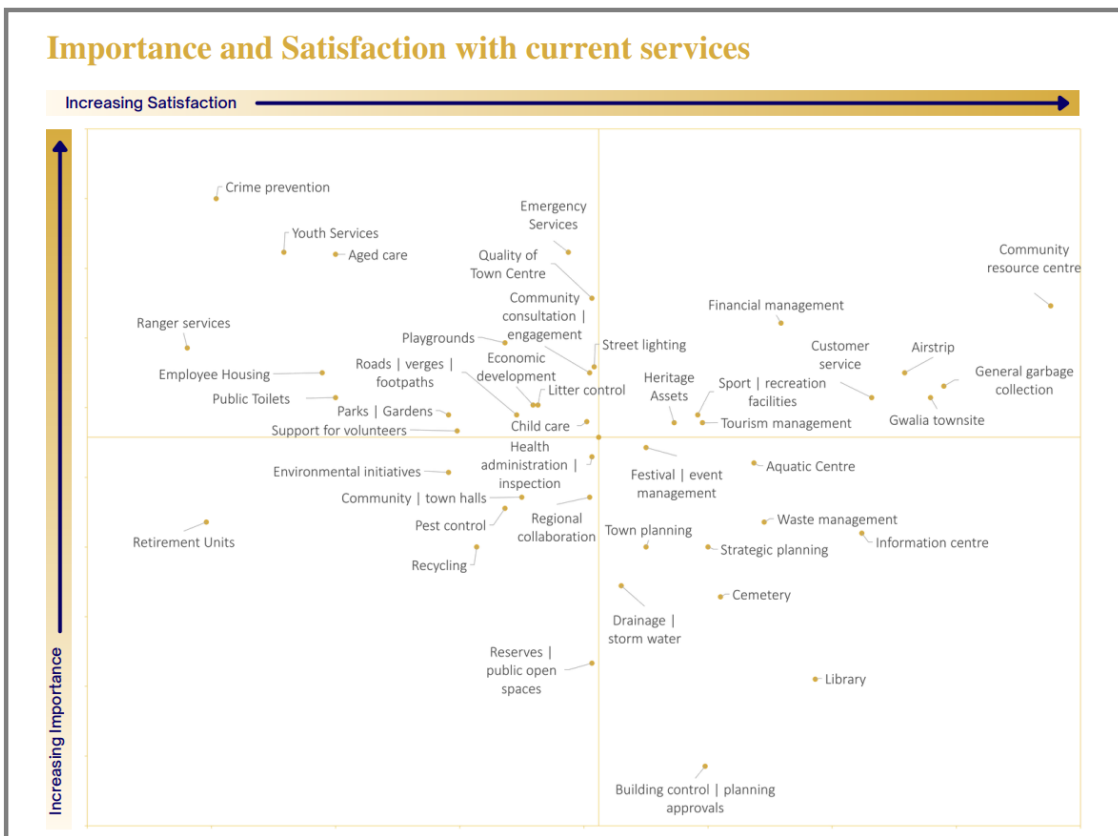

Often a program can evolve over time without relevant documentation being updated to reflect the change. However, a program should not evolve at the cost of its intended project deliverables.

A review of key documents provides the Shire of Leonora with an understanding of the current strategic position of the program, tracks progress towards agreed project deliverables, and alignment with the current plans as well as an awareness of documentation that requires updating.

3.1.1 SHIRE OF LEONORA: PLAN FOR THE FUTURE 2021-2031

Broad community consultations were undertaken in 2021 for the development of the 'Shire of Leonora: Plan for the Future 2021-2031'. 49 surveys were completed, 20 people attended workshops and 17 informal chats were facilitated.

The survey respondents rated the importance of the current and anticipated Shire services and provided feedback on their level of satisfaction of each. Youth services rated as the second highest priority area for the community, indicating it had the second highest level of increasing importance to the community, coupled with the second lowest level of community satisfaction.

Improved youth services and programs in Leonora will assist Council to progress towards the achievement of the outcomes listed in Shire of Leonora: Plan for the Future 2021-203, directly aligning with the following strategies:

Social Objective - An empowered and spirited community

Outcomes:

- 1.2 Community health and well-being initiatives
Strategy 1.2.1 - Support and advocate for community health and wellbeing initiatives and provision of services to the community.
- 1.4 Engaged and supported youth
Strategy 1.4.1 - Support youth engagement and wellbeing.

Current delivery of the LYC and YSS still aligns with the 'Shire of Leonora: Plan for the Future 2021-2031' and the strategic direction of the Shire of Leonora.

Attachment 13: Shire of Leonora Plan for the Future

3.1.2 #SAFERLEONORA PLAN 2022-2027

The #SaferLeonora Plan 2022-2027 is a five-year strategic outlook for Leonora Police and the Shire of Leonora that aims to map the issues of primary concern to the community and key stakeholders, and document strategies and partnerships to alleviate these issues.

The Plan considers the perception of crime as well as the actual crime. The Plan includes 4 main focus areas:

1. Creating Safer Places and Spaces
2. Supporting Families, Children and Youth
3. Reducing the Impact of Alcohol
4. Community Action, Connection and Involvement

Delivery of the LYC and YSS directly supports all focus areas of the Plan.

Attachment 12: #SaferLeonora Plan 2022-2027

3.1.3 MEMORANDUM OF UNDERSTANDING – LEONORA YOUTH CENTRE AND YOUTH SUPPORT SERVICE

The most recent MOU of the LYC and YSS was signed on 21 July 2017. The information in the MOU is dated and does not reflect the current situation.

Stakeholder feedback: "The MOU for the Youth Centre is dated and needs renewing."

Aim

The MOU lists the aim of the LYC and YSS as 'To provide a Youth Support Service primarily for young people at risk within the Leonora community, through the provision of diversionary and recreational activities based from the Leonora Youth Centre, in accordance with existing service agreement between the Shire of Leonora and the Department for Child Protection and Family Services.'

Expected Deliverables and Benefits Delivered

There are a number of expected deliverables outlined in the MOU. While monthly reporting loosely clarifies that the deliverables were achieved, effectiveness of the LYC and YSS in achieving those deliverables is not closely observed. In some cases the objective was achieved as a result of the activities of the LYC and YSS, and in some cases it was achieved as a result of other external providers.

3.1.4 CPFS SERVICE AGREEMENT

The Shire of Leonora receives funding for the purposes of facilitating LYC and YSS initiative. This is a contract arrangement between the Shire of Leonora and the Department of Communities. The funding only covers a portion of the need to deliver the service and additional funding is committed to the service by the Shire of Leonora.

The original service agreement was signed on 09 May 2014 for a contract period of 2 years and 3 months from the date of signing. The current service agreement expires June 2024, with option to extend to June 2026 at the discretion of CPFS.

The contractual obligations listed in the CPFS Service Agreement include the following:

- The organisation makes a public commitment to child safety.
- A child safe culture is championed and modelled at all levels of the organisation from the top down and the bottom up.
- Governance arrangements facilitate implementation of the child safety and wellbeing policy at all levels.
- A Code of Conduct provides guidelines for staff and volunteers on expected behavioural standards and responsibilities.
- Risk management strategies focus on preventing, identifying and mitigating risks to children and young people.
- Staff and volunteers understand their obligations on information sharing and recordkeeping.

A service review is conducted by the Department of Communities. The most recent service review was conducted in June 2022 and it did not identify any issues regarding the delivery of service.

3.1.5 YOUTH CENTRE MANAGER PROGRESS REPORT

Progress reports are completed in six monthly reporting periods.

Reports require statistical information regarding youth activity. Reporting is thorough however no documentation is required to evidence delivery of activities. The MOU states that activity plans should be forwarded to the Shire of Leonora prior to deliver of activities. This would improve accountability.

3.2 STAKEHOLDER SATISFACTION

Key youth stakeholders currently delivering services in the Leonora community have been consulted to inform the review, giving the Shire of Leonora a better understanding of the new factors impacting young people, to inform about current service delivery barriers and to help the Shire to plan for the future need.

3.2.1 SHIRE OF LEONORA COMMUNITY AND STAKEHOLDER ENGAGEMENT REPORT 2022

In March 2022 Leonora Police and the Shire of Leonora facilitated community and stakeholder engagement in preparation for the development of the inaugural community safety and crime prevention (CSCP) strategy, the #SaferLeonora Plan 2022-2027.

The purpose of the engagement was to provide opportunity for the views of the Leonora community to be heard, understood and addressed through coordinated service provision, partnerships, activities and events for addressing the CSCP needs in the Shire of Leonora.

This community engagement process revealed that youth engagement was a key area of concern for residents and supporting families, children and young people was an agreed priority for the community.

Disengaged young people was a key concern for the survey respondents and interviewed stakeholders. 62 comments were received specifically about disengaged youth. The community wanted to see a greater investment in youth engagement activities.

Community feedback: "The youth is the biggest issue here. If they stuff up, they shouldn't be kicked out of youth programs. They should be supported more so that they don't reoffend."

Community feedback: "Youth services are very exclusive. We need to find a way to make them more inclusive."

Community feedback: "There needs to be more activities at night to keep kids occupied."

Community feedback: "We need proactive rather than reactive services."

Community feedback: "Extend the hours of the Youth Centre to when businesses close. If the last pub shuts at 10pm, the youth service should operate until then also."

Community feedback: "The focus of our youth programs needs to be on engagement of at-risk youth, including afterhours programs."

3.2.2 YOUTH CONSULTATION

To ensure that programs, services, strategies and advocacy continues to meet the needs of young people who live and spend time in Leonora, the Shire of Leonora has engaged with young people.

The engagement aimed to facilitate a level of participation by young people to better understand their needs, while engaging them to help identify potential solutions for addressing their perceived issues.

Shire of Leonora Youth Support Survey

In June 2022 the Shire of Leonora facilitated an online survey to gauge the opinions of young people, to determine what new factors are impacting them and identify what their perceived need for the future is.

The 'Leonora Youth Support Survey' was open for comment between 13 June 2022 and 22 July 2022. Questions were designed to help identify what activities and services young people were currently accessing in Leonora and providing insight in to how engaging or helpful they found them. It also investigated where they felt the gaps in service and activity were and ideas for improvement. 20 young people participated in the survey. Each age group was represented. 80% of respondents were female and 60% of respondents recognise as being Aboriginal.

Informal Youth Interviews

Between Tuesday 27 April 2022 and Friday 30 April 2022, children and young people were engaged in one-on-one and small group discussions at the Leonora Youth Centre and Leonora Yingkapayi Park.

Targeted activities were facilitated to engage targeted age groups and varying levels of community engagement. This included a logo design competition and chatting to children and young people at the Youth Centre and at the Yingkapayi Park. 12 participants were engaged (4 boys and 8 girls).

Informal Youth Interviews

Between Tuesday 23 August 2022 and Thursday 25 August 2022, children and young people were engaged in one-on-one and small group discussions at the Leonora Yingkapayi Park and in Tower Street. 13 participants were engaged (9 boys and 4 girls).

Analysing the Response

The engagement process attracted feedback from a cross-section of young people from Leonora in the targeted age group. Youth feedback from these consultations has been inserted in relevant areas throughout this report.

3.2.3 YOUTH STAKEHOLDER MEETING – 24 AUGUST 2022

The purpose of this meeting was to facilitate open discussion on delivery of youth services in Leonora. The aim was to reach an agreement on some of the issues pertaining to the delivery of those services using a participatory and inclusivity approach.

Stakeholders represented at the table were:

- Shire of Leonora
- Hope Community Services
- Leonora Youth Centre and Youth Support Service
- Leonora Recreation and Aquatic Centre
- Leonora WAPOL
- Shooting Stars
- #SaferLeonora Committee

The Stephen Michael Foundation recorded an apology. Feedback from Rory Yates has been included.

A preliminary assessment of the needs and interests of the youth stakeholders was conducted prior to the meeting. The purpose of this was to determine areas of consensus within the group to find common ground with service delivery and to identify areas where the meeting could facilitate collaborative negotiation.

Coordination of Services

Youth stakeholders expressed that there is a strong need to work together to avoid replication and strengthen the overall service to young people. The LYC and YSS felt that they were in the position to be the lead organisation however, the group

felt that the coordination role sat better with the Shire of Leonora as it is more objective and there was no vested interest. The group felt that coordination of services would better support the LYC and YSS as currently the lack of coordination is impacting on the services ability to work effectively with the service.

Youth stakeholders were asked if there was anything that would improve each stakeholders ability to deliver services as a collaboration. It was noted that use of the Shire bus would be beneficial to all stakeholders.

It was noted that delivery of service was impacted by both transient staff and lack of accommodation options.

Stakeholder feedback: "Replication of service can be managed through better coordination of youth stakeholders."

Stakeholder feedback: "The external service provider running the LYC has a vested interest and therefore can not lead the rest of us."

3.3 GAP ANALYSIS

The gap analysis examines the current state of youth services in Leonora in comparison to the need.

3.3.3 GAPS IN DIRECT SERVICES FOR YOUTH

While there are services targeting many of the identified issues, many of the services are limited to the amount of support they can offer and the frequency of the service being available in the community. Family and domestic violence, family support and youth mental health support were identified as high priorities where services do not meet the needs of the young people.

3.3.4 WHAT OTHER OPPORTUNITIES EXIST

There is opportunity to advocate for existing programs that are not already being delivered in Leonora and are accessible in Leonora.

Youth in Emergency Services (YES) Cadets

YES Cadets have the opportunity to learn through hands on experience about:

- State Emergency Service (SES)
- Volunteer Fire and Rescue Service (VFRS)
- WA Police Force
- St John Ambulance
- Bush Fire Brigades (BFB)
- DBCA Parks and Wildlife

The skills that they learn include firefighting, rescue techniques, radio communications, knots and ropes, bush craft, first aid, teamwork and marching drills. There are no ongoing fees for cadets to attend and they are issued for free uniforms.

The program is facilitated by the Department of Fire and Emergency Services (DFES).

Stakeholder feedback: "There are pathways for young people in areas such as Saint Johns who are also looking for volunteers. We just need to find a way for them to be involved."

Stephen Michael Foundation – Food for the Mob

'Food for the Mob' is a food production and service business designed to create education, training and employment for disengaged Aboriginal women and youth. It supports the alignment of current service providers to create tailored transition to work programs. This program could potentially coordinate a Leonora community garden project, providing young people with experience as 'growers and pickers' and generate a viable secondary market for food in Leonora.

Stephen Michael Foundation – Aboriginal Culture

The SMF deliver a school-based program to support the development of knowledge of Aboriginal culture.

Stephen Michael Foundation – Drug and Alcohol Awareness

The SMF deliver a school-based program to support the development of knowledge of drug and alcohol awareness. Delivery of this program would directly align with the #SaferLeonora Plan 2022-2027 and target one of the priority issues identified by the community.

Stephen Michael Foundation – Self Awareness and Identity

The SMF deliver a program to support the development of knowledge around self-awareness and identity.

Centrecare

Centrecare currently services the Leonora community from Kalgoorlie once per fortnight. Opportunity exists to increase provision of service for family and domestic violence support. Housing will need to be sourced for staffing.

Beyond Skate

'Beyond Skate' is a WA based company that delivers skateboard and scooter demonstrations and skate clinics as an engagement and skill development initiative. This would be a suitable activation activity for the Leonora Skate Park and Pump Track.

Youth feedback: "I know this is a hard one, but more horse riding would be good."

Youth feedback: "I'd love an art space for everyone."

Youth feedback: "We need shelters for at night to get away from the environment that they're in ... and a warm shower with no questions asked about why we need it."

Youth feedback: "I'd like to do more life skills type activities."

Youth feedback: "We need somewhere to do driving lessons."

Youth feedback: "We need different activities. It gets boring doing the same thing and then people don't go."

Youth feedback: "I want to do more bush learning days."

Youth feedback: "I'd like to do more activities to learn cooking."

4. KEY ISSUES RAISED AND INVESTIGATION

A number of issues have been raised.

4.1 BUDGETARY CONSTRAINTS

Based on information provided from youth stakeholders, there is more than \$697,000 currently being invested specifically on youth engagement in Leonora per annum.

- \$230k – LYC and YSS
- \$300k – Shooting Stars
- \$50k – Nyunnga-Ku
- \$100k – Stephen Michael Foundation
- \$10k – Kalgoorlie PCYC
- \$7.5k – Goldfields Girl Project

This investment is a necessary enabler of youth intervention however, more emphasis needs to be placed on prevention, targeting the underlying issues that are causing the cycle of disengagement.

4.1.1 LEONORA YOUTH CENTRE AND YOUTH SUPPORT SERVICE BUDGET

The MOU indicates that a payment amount of \$9,960 (excluding GST) is provided per month to Transcend Initiatives Pty Ltd to deliver the LYC and YSS.

The Shire of Leonora support the service with an allocation of funding to other specific costs including building maintenance, insurances, administration costs.

Once per week the LYC and YSS is required to deliver a diversionary activity in partnership with a service provider. Service providers contribute towards the costs associated with this.

<https://www.omi.wa.gov.au/funding/community-grants-program>

The Office of Multicultural Interests (OMI) offers grant funding through its Community Grants Program (CGP) with a total annual budget of \$1,000,000. It provides funding to empower culturally and linguistically diverse (CaLD) communities in Western Australia to design, deliver and partner on projects that

address their needs. There are four streams being Festivals for up to \$10k, Community Capacity Building for up to \$5k, Strategic Projects for up to \$50k and Strategic Projects for up to \$100k.

Contemporary Music Fund

<https://www.dlgsc.wa.gov.au/funding/arts-funding/contemporary-music-fund-grant-program>

The funding aims to contribute to the development of markets for WA music locally, nationally and internationally, and to ensure a strong representation of musicians and music professionals from Aboriginal, regional, cultural and gender diverse backgrounds.

Regional Events Program Funding

<https://www.tourism.wa.gov.au/industry-support-and-events/resources-for-event-holders/Funding-for-regional-events/Pages/Regional-Events-Program-funding.aspx#/>

This funding supports events that bring more people to the region, attract media coverage, add vibrancy and excitement to the region. Supports medium to large regional events across WA that require funding of \$40,000 or more.

Regional Organisation Grants

<https://www.dlgsc.wa.gov.au/funding/sport-and-recreation-funding/community-place-based-grants>

This funding aims to improve the quality of sporting opportunities for people in regional Western Australia, whilst assisting the Department of Local Government, Sport and Cultural Industries (DLGSC) meet its regional strategic outcomes. There are two categories, Category A: Regional \$20k to \$50k. Category B: District or Zone \$5k to \$2k.

Community Place Based Grants

<https://www.dlgsc.wa.gov.au/funding/sport-and-recreation-funding/community-place-based-grants>

This grant provides funding for the development and delivery of co-designed, place based structured holiday and out-of-school activity programs in the Kimberley, Goldfields, Pilbara and Gascoyne regions. It provides \$5k to \$50k per annum for up to 3 years.

Road Safety Commission Grant

<https://www.wa.gov.au/service/community-services/grants-and-subsidies/apply-road-safety-commission-grant>

This grant supports the development and implementation of sustainable projects and one-off community activities that assist in promoting road safety across the state through the Road Trauma Trust Account (RTTA). It is open twice yearly and offers funding of up to \$25k.

Police Community Services Funding (Youth At Risk)

<https://forms.office.com/pages/responsepage.aspx?id=pFBFljp8Lk6ELoLhfxtApldG-Cc-uhBhEvM29QADfb6BURFJOUkYxQkNWSTIUSIJRSkJBNzNBNIRaQS4u>

The Western Australia Police Force are seeking Registration of Interest (ROI) submissions for Service Providers who can offer programs and initiatives targeting Youth at Risk.

Criminal Property Confiscation Grants Program

<https://www.wa.gov.au/organisation/department-of-justice/criminal-property-confiscation-grants-program>

The Act makes provision for re-distribution of confiscated funds and proceeds of the sale of other confiscated property for a number of purposes including the development and administration of programs or activities. It is designed to provide

support services and other assistance to victims of crime, and to prevent or reduce drug-related criminal activity and the abuse of prohibited drugs.

Club Night Lights Program

<https://www.dlgsc.wa.gov.au/funding>

The purpose of the program is to provide financial assistance to community groups and local governments to develop sports floodlighting infrastructure. The program aims to maintain or increase participation in sport and recreation with an emphasis on physical activity, through rational development of good quality, well-designed and well-utilised facilities.

Community Sporting and Recreation Facilities Fund

<https://www.dlgsc.wa.gov.au/funding/sport-and-recreation-funding/community-sporting-and-recreation-facilities-fund>

Grant is open in July/August. Annual and forward planning grants: Projects over \$300k. Small grants: Projects from \$7500 to \$300k. The purpose of the program is to provide Western Australian Government financial assistance to community groups and local government authorities to develop basic infrastructure for sport and recreation. The program aims to increase participation in sport and recreation, with an emphasis on physical activity, through rational development of sustainable, good quality, well-designed and well-utilised facilities. Through CSRFF, the State Government will invest annually in the development of high-quality physical environments in which people can enjoy sport and recreation.

FRRR – Strengthening Rural Communities

<https://rdawa.grantguru.com.au/grant/frrr-strengthening-rural-communities-program/>

The grant focuses on rebuilding regional communities stream aims to recognise the impacts of COVID on communities by supporting community-led initiatives. This program aims to assist small and medium enterprises (SMEs) in Western Australia to increase their capability, capacity and competitiveness as suppliers of products, services and works to the Western Australian Government, major projects and other important markets. It typically provides funding assistance for activities such as planning, improvements to internal infrastructure, plant and equipment and training. There are three streams Aboriginal Business Round of up to \$50k, Supplying Key Major Projects Round of up to \$50k and National and International Standards Compliance Round of up to \$50k.

Australia Post

<https://rdawa.grantguru.com.au/grant/australia-post-community-grants-program/>

Provides funding of up to \$10k to eligible community-led, local projects that connect individuals and communities to improve mental health and wellbeing.

Reconnect WA - RAC

<https://rac.com.au/about-rac/advocating-change/initiatives/reconnect-wa>

Seeks to help reimagine and revitalise streets and public spaces, laying the foundation to support safe, sustainable and connected communities.

4.2 HOURS OF OPERATION

The minimum hours of operation are outlined in the MOU for the operation of the LYC and YSS.

The MOU states that the Centre should be open during the school term, Monday to Friday from 3.30pm to 7pm and on Saturday from 11am to 1pm and 2pm to 6pm. This equates to 23.5 hours per week.

The MOU states that the Centre should be open during the school holidays, Monday to Saturday from 11am to 1pm and 2.30pm to 6pm. This equates to 33 hours per week.

It should be noted that program development and delivery is facilitated outside of these hours as there is a requirement for case management of young attendees while they are at the LYC.

The LYC must operate for 48 weeks of the year (11 weeks of school holidays excluding 1 week during the Christmas period and 37 weeks during the school term). The LYC is not open on public holidays. There are 8 public holidays during the school holiday period (-44 hours). This equates to approximately 1,447 hours of operation per year.

The current hours of operation differ slightly from the hours outlined in the MOU.

Youth feedback: "I think it should be open by 2.30pm when school finishes so we don't have to wait around." (Comment was continuously repeated)

Youth feedback: "It should be open straight after school and finish later at night to remove kids from the street." (Comment was continuously repeated)

Youth feedback: "The opening hours are good, but I think it should be open longer."

4.2.1 POLICE STATISTICS EVIDENCING HOURS YOUNG PEOPLE ARE MOST LIKELY TO OFFEND

WAPOL Young Offender statistics in 2021 for Leonora show a spike in offending between the ages of 12 and 15 however, offences were recorded for young people between the ages of 9 and 17. 100% of offences recorded were committed by Aboriginal young people, with 61% of those being male.

There are no patterns to when young people are most likely to offend as their timing is very sporadic. There are no diversionary options between 7pm and 10pm in the evening and this is a time when unsupervised young people are on the streets. This can be attributed to a number of contributing factors including:

- Substance abuse by family members of young offenders making their homes unsafe or unpleasant for them to stay home.

- Lack of safe spaces for young people to go at night or engagement options within the community.

4.3 ATTENDANCE AND INCLUSIVITY

Banning Participants

The MOU for the Operation of the LYC and YSS states that *'Prior to banning any patrons an Incident Report must be completed and the ban of a patron must be approved by the Manager Community Services after reviewing the Incident Report Form.'*

The CPFS Service Agreement 2021 for the provision of funding to facilitate the LYC and YSS states that the service must have inclusion of National Principles for Child Safe Organisations. This document identifies the need for *'families and communities to have a say in the development and review of the organisation's policies and practices.'* Community engagement was undertaken by the Shire of Leonora between March and May 2022. Disengaged young people is a key concern for survey respondents and interviewed stakeholders. There were comments repeated throughout the community engagement indicating that the community wanted more support and engagement for the severely disengaged young people. Similarly, comments indicated dissatisfaction that the most at-risk young people were banned from the LYC which was contrary to the purpose of the initiative.

The Mulya Tjitji Program (Good Kids Program) is facilitated as an initiative of the LYC and YSS. The program helps young people to become aware that their actions have positive and negative consequence. The 'most at-risk' young people in Leonora lack opportunity to understand about consequences for their actions in their home life and the aim of this program is to help them make choices that create positive consequences. A consequence for behaviour that is ethically and legally wrong is for the young person to be banned from the LYC. When the young person chooses to make right their wrongs (through simple apology and other agreed actions), the ban is lifted. While the community perception is that the 'most at-risk' young people are falling through the gaps, there is logic to the action.

The population of young people aged 5-24 in Leonora is 316 (ABS, 2021) which equates to 23.5% of the total population.

4.4 COLLABORATION WITH OTHER SERVICE PROVIDERS

For the young people to be adequately supported, there is a need for collaboration with multiple service providers.

4.4.1 EXTERNAL SERVICE DELIVERY

Many of the services provided for young people in Leonora are delivered by external providers that are not based locally. While many of these providers have expressed their desire to have staff residing in Leonora, limited accommodation and housing options inhibit opportunity. In addition to this, the complex issues that service providers are supporting require skilled resources. Local people may not always be an appropriate option.

The main purpose of outsourcing in Leonora is to provide the community with access to skilled resources with a focus on core areas. There is a skills shortage and support of external bodies ensures continued delivery of service.

The current external providers not living in Leonora are long term providers for the community and as such there is a sustainability of knowledge of the community's needs and interests. Services are not transient.

'For service providers that are not based locally, getting to and from the communities involves lengthy car travel or expensive chartered small plane trips. This can pose problems for continuity of programming and may influence the level of engagement of young people and their families' (Goodrick, 2012, p13).

Stakeholder feedback: "I see the Shire supporting external bodies when we are already battling at a local level."

Stakeholder feedback: "There are a lot of external services that are sustainably funded to come out here. We need them. We need to work better with them."

Stakeholder feedback: "We can't rely on only the services that are already here. We are seen as a stepping stone and transient staff make service delivery unstable."

4.4.2 HOW OTHER COMMUNITIES FACILITATE YOUTH SERVICES

Northam Youth At Risk Working Group

In 2022, Northam WAPOL, the Shire of Northam and local Aboriginal elders and Aboriginal leaders convened a meeting together with the Department of Education, Juvenile Justice, Northam PCYC and Northam Headspace to discuss strategies to work better together to support vulnerable youth and recent youth related crime issues.

The group felt that a partnership approach would provide better support for young people and a monthly meeting informs all partners and facilitates collaborative project delivery where needed. While there is clearly a lead youth stakeholder in the group, there is no overarching body in the partnership. The group reports outcomes of their partnership to the Shire of Northam Community Safety Committee.

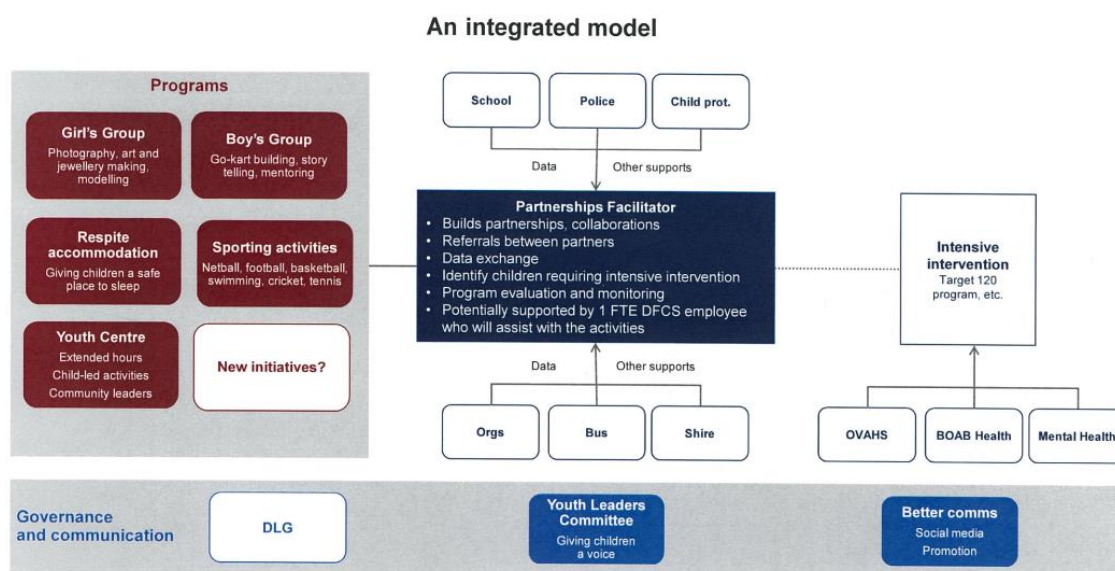

Kununurra Integrated Youth Partnership Model

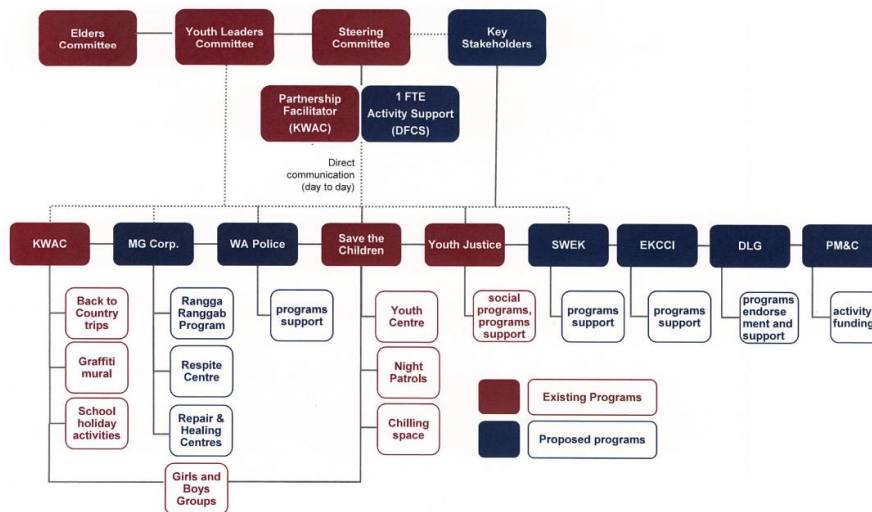

In 2018, the Shire of Wyndham-East Kimberley convened a meeting of representatives of the East Kimberley District Leadership Group (EKDLG) as well as Kununurra WAPOL and the Aboriginal Social Reference Group to discuss the underlying causes and current strategies to support vulnerable youth and address youth related crime. This arose from a series of incidents of late-night break-ins and vandalism occurring within the Kununurra town centre attributed to 'street present' children and young people.

The meeting covered a range of topics including underlying causes of youth related crime such as: family violence; child neglect; substance abuse; mental health; foetal alcohol spectrum disorder (FASD); poor living conditions including overcrowding, and the over-representation of Aboriginal youth in care and in the justice system. The Department of Communities, at that time, reported that while there were a significant number of services working with young people and families to address youth related issues, these efforts required improved coordinated and communication. Organisations delivering youth services also acknowledged the: mismatch between client needs and service delivery models; limited or duplicative investment of resources and funding; limited evaluation and information sharing and missed opportunities for meaningful intervention.

Addressing the service system failures associated with youth has, since that time, become a key focus for the Shire. The Strategic Community Plan has captured a number of focus areas and goals which relate to addressing the public's concerns. However, with changes to the service provision landscape and government funding programs the Shire moved away from direct youth service provision, reducing its direct involvement and supporting other youth service providers in the provision of youth services through facilities access such as the Kununurra Youth Hub.

While this support was somewhat successful it did not reduce duplication within the sector and Council felt that a more targeted and collaborative approach was needed. Following the success of a similar model between the Shire and Wyndham Aboriginal Youth Corporation in Wyndham, Council endorsed financial support to Kununurra Waringarri Aboriginal Corporation (KWAC) Integrated Youth Partnership Model for Kununurra. This included the engagement of a Youth Partnership Facilitator (YPF). This coordinator has been responsible for establishing partnerships with government and non-government sectors and provided a central coordination point for WAPOL and Youth Justice to identify individual needs and determine appropriate diversionary activities. The position while funded by the Shire is directly managed by an Aboriginal community organisation, being KWAC, to ensure that the interventions initiated were purposeful, culturally appropriate and community driven.

Moora, Narrogin and Merredin

Avon Community Services coordinate the drop-in centre and provide youth services. Our staff work in collaboration with Mental Health, Health Dept, Schools, Legal Service, Centrelink, WA Police, Community Officers at local Shire. There is no overarching body, it is a collaboration.

At each of our locations (Narrogin, Moora and Merredin) we have a company car that has been previously funded from reserves and then we put away a minimum of \$700- per month over a 5-year period to to replace the vehicle again. On-road costs need to be taken into consideration, being fuel, rego, insurance, depreciation and as we are a charity, and the vehicle is declared a pool vehicle, we do not pay Fringe Benefit Tax and 50% rego costs. Being a charity, we are also governed by ACNC and a Board.

Running costs for the operation of a youth centre is rental charges, rates and taxes, electricity, maintenance, food supplies for programs, program costs to develop and run the programs for the youth. We operate with 1-full-time staff member in each outreach location and we advertise for volunteers to support the centres. The trouble you have is the local community does not want to volunteer and expect the paid staff should be good enough to offer a centre and diversional program. The local community wants to be paid to support their own children and have a say in the operation of the youth centre, so it is advisable that strong governance is in place so however the centre is run you maintain total control.

Our staff are either qualified as Youth or Social Workers and as such are paid under the SACS Award commencing at a minimum grade of 3.1.

To be comfortable in offering a service that encompasses diverse programs, mentoring to youth, feeding the youth two afternoons a week, renting a property that has facilities that attracts youth, heating and cooling (pool tables, table tennis, air hockey, Smart TV with YouTube, Soccerballs, Football's, Basketballs, Basketball Ring, Hoops etc, Tool of Trade Vehicle, mobile phone, laptop and internet, a cleaner for min of 2-hours a day for 3-days per week, ongoing maintenance costs, etc a budget of \$200k to \$250Kpa plus GST would get you through with very little surplus. It would be better to overestimate and seek extra

funding especially in set-up stages as tight budget control is needed to be successful.

Please be aware that Insurance costs, Auditing if a Charity and operating Accounting package can be quite expensive as well as other little hidden costs that pop up. If a charity is set up this allows for an application to be made to pay the staff member a tax-free component of salary up to \$15900-pa.

Our staff must develop diversional programs around 6-KPI's set by our Funders and these programs run for 4-week blocks so each school term 4 programs are run. Also, staff mentor youth aged between 12-25 that may not be engaging in school, have personal and family issues, wanting education on lifestyle changes to reduce smoking, drug use or alcohol.

If staff want to run a special program and there is no funding within the Annual Budget then outreach staff apply for small grants to run a NAIDOC week program, a special Girls or Boys Program, Indigenous Art or Language Program.

We have run trials in the past and collected data and costing to allow us to apply for Lotterywest Grants to support buses.

To be successful you need a good staff member, that can deliver programs that make a difference to the youth of the town and that feels protected and supported that is strong but fair and has the support of Police and Shire and you tight controls in place.

4.5 DIVERSIONARY AND ENGAGEMENT ACTIVITIES

The MOU states that there must be two (2) planned activities per week at a minimum that are scheduled and advertised two (2) weeks in advance. One (1) of the two must be in conjunction with another agency.

There are many great programs being delivered and supported by the LYC however, community and youth feedback suggests that this is too heavily focused on basketball.

Programs delivered are not branded as initiatives of the Shire of Leonora and Department of Communities and it is therefore unclear as to whether activities form part of those two required weekly activities or if they are separate to the LYC and YSS.

Reports require statistical information regarding youth activity. No documentation is required to evidence delivery of activities. The MOU states that activity plans should be forwarded to the Shire of Leonora prior to deliver of activities. Current delivery of diversionary activities lacks accountability.

4.6 ASSET MANAGEMENT

The current LYC building is located in Leonora's town centre and is generally in good condition. The Shire of Leonora provides ongoing maintenance services to the building which is included on the Shire of Leonora Asset Management Plan.

Cleaning of the building and general maintenance (other than structural) on the property which includes the repair of broken windows, holes in walls and damage to furniture is included in the sub-contracting arrangement.

Youth feedback: "The youth centre is outdated"

Youth feedback: "The youth centre is not looked after. It needs fixing up."

5. RECOMMENDATIONS

The LYC and YSS is a valuable service supporting young people in the Leonora community and the consequences of not providing this service would be harmful to local youth, their families, and the community.

5.1 DEVELOP NEW LEONORA YOUTH CENTRE AND YOUTH SUPPORT SERVICE CONTRACT AND MEMORANDUM OF UNDERSTANDING

The most recent MOU for the operation of the LYC and YSS was signed on 21 July 2017. The MOU does not state a contract end date. The information in the MOU is dated and does not reflect the current situation. Typically, an MOU is valid for a period of two to three years. After this period the agreement may need to be renewed or renegotiated as needed.

The current contractor Transcend Initiatives Pty Ltd is not satisfied with the conditions of the current contract and evidence supports this view that the MOU governing the operation of the LYC and YSS is inadequate. Opportunity exists for the Shire of Leonora to review and improve the conditions of the contract and MOU to ensure that the service is relevant and viable. This would be presented as a new contract.

Recommended Action – That the Shire of Leonora review and develop a new contract and MOU to reflect the current need with a contract start and end date. This date should coincide with funding agreements issued by the Department of Communities.

Opportunity exists for the #SaferLeonora Committee to review the MOU bi-annually and recommend any changes needed. Youth engagement is a priority of the #SaferLeonora Committee and this will provide the Committee opportunity to ensure appropriateness of the service.

Recommended Action – That the #SaferLeonora Committee review and recommend the bi-annual renewal of the MOU.

5.1.1 MAINTENANCE OF THE LYC

The current MOU states that the contractor will be responsible for all general maintenance other than structural on the property which will include but not limited to the repair of broken windows, holes in walls and damage to furniture.

The Leonora Youth Centre is included in the Shire of Leonora's Asset Management Plan. Shire of Leonora has a budget of \$20,000 for maintenance of the Leonora Youth Centre.

Recommended Action - That the MOU be adjusted to clarify that maintenance of the building is the responsibility of the Shire of Leonora.

5.1.2 INSURANCE

The Shire of Leonora confirm that the Shire's insurance covers the LYC building which is owned by the Shire of Leonora. In addition to this, the MOU states that the contractor is responsible for replacement and insurance of the LYC contents however, if the items in the LYC were purchased by the Shire of Leonora or purchased using grant funding, they are the property of the Shire and not the contractor. The insurance for these items is therefore covered by the Shire of Leonora.

The contractor is responsible for all other insurance including public liability and worker compensation.

Recommended Action – That the MOU be adjusted to show insurances covered by the Shire of Leonora and insurances required by the contractor.

Recommended Action – That the Shire of Leonora arrange an audit of assets owned by the Shire of Leonora that are at the LYC.

5.1.3 REPORTING REQUIREMENT

The Shire of Leonora receives monthly reports from the sub-contractor and provides 6 monthly reports to the Department of Communities. All reports are completed by the sub-contractor. Reports require statistical information regarding youth activity. No documentation is required to evidence delivery of activities, and this leaves the service open to potential unrealistic reporting. It also leaves the contractor unprotected from claims of unrealistic reporting.

Recommended Action – That the MOU be adjusted to require evidence of reported statistical information. This can be as simple as young people signing into the LYC or activities.

The MOU states that activity plans should be forwarded to the Shire of Leonora prior to deliver of activities. Enforcing this would improve accountability.

Recommended Action – That the MOU be adjusted to include requirement for activity plans to be submitted monthly for authorisation and for this to be enforced.

5.1.4 DIVERSIONARY PROGRAMS

Programs delivered by the LYC and YSS are not branded as initiatives of the Shire of Leonora and Department of Communities and it is therefore unclear as to whether activities form part of those two required weekly activities or if they are separate to the LYC and YSS.

Recommended Action – That the MOU includes requirements for all activities included as part of the 'required activities' to be branded as initiatives of the Shire of Leonora and Department of Communities.

There are many great programs being delivered and supported by the LYC however, community and youth feedback suggests that this is too heavily focused on basketball. Transcend Initiatives Pty Ltd refers to the basketball program as a volunteer program so this may be a misconception by the community.

Recommended Action – That the MOU is adjusted to include requirement to submit annual activity plans (as per the MOU) for four-week block activities (two activities delivered weekly) offering variety of activity and aligning with the objectives of the LYC and YSS. This should include a minimum of one activity delivered in collaboration with a service provider and one ran independently by the LYC and YSS.

Recommended Action – That the Shire of Leonora create an activity plan template to provide clear direction of activities required. Include the following:

- **Active engage with police at least once per month.**
- **Facilitation of formal referrals to support services.**
- **Include engagement of the ‘most at-risk’ young people that are currently excluded from the LYC.**

5.1.5 HEALTH AND SAFETY

A serious approach to health and safety is a fundamental part of building a safe environment for young people, volunteers and youth workers.

While the Shire of Leonora’s risk management may be adequately covering the basic requirement for risk management planning of the LYC and YSS as identified in the CPFS Service Agreement, there may be specific considerations where risk could be mitigated through implementation of a LYC and YSS specific Risk Management Plan. It is anticipated that this would include considerations such as youth worker to youth ratio.

Recommended Action – That the MOU be adjusted to include the requirement for the LYC and YSS coordinator to develop a Risk Management Plan that is reviewed annually.

Attachment 1: CPFS Service Agreement 2014

Attachment 2: CPFS Service Agreement Variation 2021

Attachment 3: National Principles for Child Safe Organisations

5.1.6 ATTENDANCE AND INCLUSIVITY

The MOU lists the aim of the LYC and YSS as ‘To provide a Youth Support Service primarily for **young people at risk within the Leonora community**’ however, the Mulya Tjitji (good kids) life skills program prevents young people at risk from attending the LYC. This is a major concern of the community.

Recommended Action – That the MOU is adjusted to include requirement to create alternative engagement options to ensure that those at-risk young people that are banned from the LYC or choose not to attend are targeted and supported.

5.1.7 BUDGET

It is recommended that more external funding is sourced to run an effective program. A portion of the program manager’s time should be focused on sourcing external funding to boost program funding through sponsorship and grant funding. Strategic use of the #SaferLeonora Committee to apply for funding to boost the service may be an option.

Note: The Department of Communities has advised that while the amount of funding has not increased to match the increase in need, there is no opportunity for additional funding to be provided at this time. As most youth services in other communities are experiencing the same issue, the Department of Communities is looking to do a complete service delivery review in the near future and opportunity to increase funding based on need will present at this time.

Recommended Action – That the MOU lists a requirement for the contractor (with the support of the #SaferLeonora Committee) to seek external funding for initiatives and activities. All funding applications to be approved and auspiced by the Shire of Leonora.

Recommended Action – That the Shire of Leonora approach CPFS with an enquiry about increasing the funding allocation for provision of youth service in Leonora.

5.1.8 OPENING HOURS

For the LYC to be a successful diversionary program it needs to be open and activated when Leonora young people are offending.

The ideal opening hours of the LYC during the school term:

- Monday to Friday from 3pm to 10pm
- Saturday and Sunday from 1pm to 10pm

The ideal opening hours of the LYC during the school holidays:

- Monday to Friday from 1pm to 10pm
- Saturday and Sunday from 1pm to 10pm

Current budget does not support additional opening hours.

Recommended Action – That the Shire of Leonora amend the required opening time on weekdays from 3.30pm to 3pm so that there is not a waiting period between school finishing and the LYC opening.

Recommended Action – That the Sub-contractor (with the support of the #SaferLeonora Committee) actively seek funding opportunities to extend the evening opening hours of the Leonora Youth Centre to 10pm and weekend hours from 2pm to 10pm, and that the current hours be adjusted to the following until external funding can be obtained:

Opening hours of the LYC during the school term:

- Monday to Friday from 3pm to 7pm
- Saturday to Sunday from 1pm to 7pm

Opening hours of the LYC during the school holidays:

- Monday to Friday from 2pm to 7pm
- Saturday to Sunday from 2pm to 7pm
- The Sub-contractor will work with the Shire of Leonora Manager of Recreation Services to schedule any diversionary activities during school holidays outside of hours of operation of the LYC.

5.1.9 STAKEHOLDER COLLABORATION

There is a requirement for coordination of youth stakeholders and it was agreed by those youth stakeholders that this should sit with the Shire of Leonora as they are more objective without a vested interest.

Recommended Action – That the Shire of Leonora consider including youth service coordination to the portfolio of the Manager of Recreation and Aquatic Services.

There is a requirement in the current MOU to deliver one activity per week in collaboration with another external service provider however, this is not strictly monitored or evidenced.

Recommended Action – That the Shire of Leonora include an evidence-based reporting requirement showing stakeholder collaboration.

5.2 ADVERTISE FOR EXPRESSIONS OF INTEREST

The Shire of Leonora Purchasing Policy asserts that Expressions of Interest (EOI) are typically considered in situations where the project is of a significant value or contains complex deliverables that may solicit responses from a considerable range of industry providers. All EOI processes are conducted as public process.

As the contract will undergo considerable changes it should be treated as a new contract and as such should be facilitated as an EOI. This will ensure that Transcend Initiatives Pty Ltd continues to be the best option for the community.

The new contract should be in place by 01 December 2022 to ensure that the service is not compromised during the school holiday period.

Transcend Initiatives Pty Ltd should be encouraged to apply. Reapplication will create opportunity for business planning for better delivery of service.

Recommended Action – That the new contract for delivery of the LYC and YSS be advertised for expressions of interest.

Recommended Action – That Transcend Initiatives Pty Ltd be strongly encouraged to apply.

5.3 OTHER COMMUNITY IMPROVEMENT IDEAS

There are opportunities for improvement throughout the community to better engage local young people.

5.3.1 STAKEHOLDER COORDINATION

There is a need for an overarching coordinator of youth services in Leonora. While it was discussed that this could be the LYC and YSS, other stakeholders agreed that it needed to sit with an organisation that was more objective without a vested interest. The group agreed that the best organisation for this to sit with was the Shire of Leonora.

Recommended Action – That the Shire of Leonora add the coordination of youth services to the portfolio of the Shire's Manager of Recreation Services.

5.3.2 LEONORA RECREATION AND AQUATIC CENTRE

Opportunity exists for diversification of activity at the Leonora Recreation and Aquatic Centre.

Recommended Action – That the Shire of Leonora seek external funding opportunities to fund alternative activities at the recreation and aquatic centres.

5.3.3 LEONORA SKATE PARK AND PUMP TRACK

The Leonora Skate Park and Pump Track is currently underutilised however, it presents an opportunity to engage young people. Activation of the park will likely renew interest.

Recommended Action – That the #SaferLeonora Committee call for a donation of scooters so that more young people have opportunity to use the park. (Completed. Scooters are with LYC)

Recommended Action – That the LYC and YSS facilitate a youth-led mural project as one of their engagement activities at the skate park to instil a sense of ownership and young people will take better care of the infrastructure.

Recommended Action – That the Shire of Leonora investigate solutions for the gravel base at the skate park that gets stuck in wheels.

Recommended Action – That the LYC and YSS arrange scooter workshop school holiday activity as one of their engagement activities.

5.3.4 YOUTH PLACES AND SPACES

The youth infrastructure in Leonora is targeting younger cohort however police crime young offender statistics show a spike in offending between the ages of 12 and 15. Infrastructure for older youth would be beneficial.

Recommended Action – That the #SaferLeonora Committee investigate and seek funding for a Rage Cage.

6. CONCEPTS FOR FUTURE INITIATIVES

Based on feedback from Leonora young people, key stakeholders and the wider community, the following program and initiative concepts would be valuable for young people.

Note: These are basic concepts for the purposes of further development in to funding applications.

#SaferLeonora After Hours

'#SaferLeonora After Hours' is a diversionary program enabling the extension of opening times of the Leonora Youth Centre into the evening for vulnerable young people who are experiencing stressful situations at home are most likely to be roaming the streets looking for a safe place.

Young people currently have no options when seeking a safe space after 7pm on weekdays and for most of the weekend. '#SaferLeonora After Hours' offers extended hours, covering the period from 7pm to 10pm on weeknights, extending Saturday opening times to 10pm and Sunday from 11am to 10pm. Young people who attend will have access to meals, shower facilities and supervised engagement activities.

The program will provide young people with an opportunity to build relationships with a wider support network so that they are comfortable to ask for help with issues such as family and domestic violence or substance abuse. 'Indigenous children and youth may be quiet about the way they express their pain and hurt which is in contrast to how health professionals are trained to assess it' (Latimer et al, 2018).

The aim of this project is to:

- Improve access for young people to support services that are culturally safe and responsive.
- Provide alternative community based diversionary options to strategically support the Aboriginal community.
- Encourage effective communication between Aboriginal young people and key stakeholders so that service uptake increases.
- Engage Aboriginal young people who would normally be tempted to offend.
- Provide alternative activities to alleviate boredom and reduce youth crime.
- Enhance positive youth development.

Youth On Country Project

Aboriginal elders and leaders have expressed their concerns about their young people and issues of substance abuse and high-risk behaviours. They see the need for a place where their young people could separate themselves from the negative influences of contemporary society and reconnect with their culture, on-country in a culturally significant place.

The ‘Youth On-Country’ project will enable Aboriginal people to undertake on-country activities that promote the preservation of culture through intergenerational transfer of knowledge. This program will help Aboriginal young people to develop their cultural identity and connections within their community, ensuring that they are supported with the skills and confidence needed to move away from activities of substance abuse and high-risk or criminal behaviours.

The primary target group of the project are Aboriginal young people aged 10-17 years who are involved (or likely to be involved) in activities of substance abuse and high-risk or criminal behaviours. The secondary target group of the project are Aboriginal elders and leaders. The project will facilitate and support the delivery of cultural guidance and mentoring.

‘Youth On-Country’ will provide opportunity for Aboriginal young people to go out on country to:

- Interact with Aboriginal elders and leaders for opportunity to transfer knowledge through generations.
- Learn language and hear traditional stories and songs.
- Learn to care for country and visit sites of Aboriginal significance.
- Learn to make traditional artefacts.

The aim of this project is to:

- Facilitate sharing of cultural knowledge and skills between generations, such as the preservation of language, stories and dance.
- Recognise Aboriginal cultural leadership within the Aboriginal community and support leadership development in young people.
- Enhance communication between Aboriginal young people and local Aboriginal elders and leaders.
- Facilitate opportunity for Aboriginal young people to reconnect with their culture.
- Provide alternative community based diversionary options to strategically support the Aboriginal community.
- Encourage effective communication between Aboriginal people and stakeholders so that service uptake increases.
- Provide an opportunity for Aboriginal young people to build connections with their elders and leaders to influence positive behaviours.
- Engage Aboriginal young people who would normally be tempted to offend.
- Provide alternative activities to alleviate boredom and reduce youth crime.

Recommended Action – That Michelle Blackhurst submits an expression of interest for the ‘Youth At Risk’ funding stream via WAPOL Community Policing Funding. (Completed)

Recommended Action – That Michelle Blackhurst discuss project concept with Lotterywest. Lotterywest have a current focus on environmental sustainability so the caring for country focus of this project is of interest to them. (Completed)

Youth feedback: “I wish we could do more bush learning days.”

Community feedback: “We need to introduce programs to encourage respect for town elders and community leaders”

Skate Park Mural Project

Delivery of this project will have two-fold benefit. Firstly, it will provide a creative based diversion and engagement activity to attract at risk young people, to deter boredom and alleviate high risk and criminal behaviors. Secondly, a mural project will breathe new life into Leonora Skate Park and Pump Track making it vibrant and more appealing to young people.

By involving young people in the development of the artwork, they will have a sense of ownership and develop a greater respect for the space.

The aim of this project is to:

- Assist young people to build connections with volunteers that will potentially become mentors and role models for these young people.
- Assist volunteers who do not normally interact with this particular cohort of young people to understand them, understand their issues and make a connection with them which will in turn help to make our community more friendly and inclusive.
- Engage young people that would normally be tempted to offend in alternative social activities.
- Provide diversion and engagement activity to deter boredom and alleviate high risk and criminal behaviours.
- Build the capacity of young people to understand and address youth issues and improve their self-worth.
- Promote positive images of young people.

Social Cohesion Projects

The aim of this project is to encourage an increased understanding of the Aboriginal culture, supporting social cohesion in the community with people of various cultural orientations by facilitating the opportunity for the community to come together with common interests and enthusiasm.

The aim of this project is to:

- Encourage a decrease in anti-social behaviour between the Aboriginal and non-Aboriginal members of the community.
- Encourage an increase the level of pride of local Aboriginal people in their culture and heritage.
- Encourage an increase of non-Aboriginal community members who show an interest in learning about the Aboriginal culture.
- Provide an opportunity for traditional owners to have a place to practice, celebrate and teach their culture to both their own youth and the wider community.
- Provide an opportunity to increase understanding of local Aboriginal culture with assist in reconciliation and social cohesion.
- Provide alternative community based diversionary options to strategically support the Aboriginal community.
- Develop partnerships to creatively engage Aboriginal families at risk.
- Foster motivation, personal and social development within the Aboriginal community.
- Encourage partnerships and collaboration so that together stakeholders can collaboratively deliver a better service to the Aboriginal community.
- To enhance and highlight the cultural opportunities in the community and the wider Wheatbelt region.
- To provide stakeholders with an opportunity to link and engage the Aboriginal community.
- Provide a focal point for people of various cultural orientations to come together with common interests to understand and respect difference within our community.
- Provide opportunities for cultural based activities in and around the community.
- Raise awareness of Aboriginal issues and themes.
- Promote a positive image of the Aboriginal community.

Skill Development Projects

The aim of this project is to build the skills and capacity of the Aboriginal community through culturally appropriate training opportunities that embrace Aboriginal learning styles, and have been designed to develop their capabilities, individually and collectively, so that they can achieve their goals.

The aim of this project is to:

- Build the capacity of the Aboriginal community so that they are able to apply local solutions to local issues and barriers.
- Deliver training programs in areas of interest to the Aboriginal community to encourage their participation and improve and strengthen their skills.
- Develop the abilities of the Aboriginal community to set and achieve objectives and understand how to apply their own solutions to identified problems.

Culture Promotion Projects

The aim of this project is to encourage to an increased understanding of local Aboriginal culture by providing an opportunity for Aboriginal people to practice, celebrate and continue to teach their culture to each other and the wider community.

The aim of this project is to:

- Provide opportunities for culturally based activities in and around the community.
- Raise awareness of Aboriginal issues and themes.
- Promote a positive image of the Aboriginal community.
- To provide stakeholders with an opportunity to link and engage the Aboriginal community.

- Provide an opportunity to increase understanding of local Aboriginal culture with assist in reconciliation and social cohesion.
- Encourage partnerships and collaboration so that together stakeholders can collaboratively deliver a better service to the Aboriginal community.
- To enhance and highlight the cultural opportunities in the community and the wider Wheatbelt region.
- Encourage an increase in the level of pride of local Aboriginal people in their culture and heritage.
- Provide an opportunity to develop an understanding of the views and interests of Aboriginal people to build better relationships, partnerships and trust to improve the confidence of the Aboriginal community.

Programs directed to at risk Aboriginal young people should have a strong focus on culturally relevant activities and, where possible, be developed in consultation with community elders. Where a young person is not linked in with the local community or lacks Aboriginal role models, programs should endeavour to make these connections (At Risk Youth Strategy 2015-2018).

Aboriginal Family Engagement Projects

The aim of this project is to identify, engage with and positively influence the health and wellbeing of at-risk Aboriginal families by encouraging program participation, building a rapport and then linking them to appropriate support agencies.

The aim of this project is to:

- Encourage effective communication between Aboriginal people and stakeholders so that service uptake increases.
- Bring about improvements in Aboriginal engagement through offering activities and incentives that appeal to Aboriginal families.
- Develop partnerships to creatively engage Aboriginal families at risk.
- Encourage partnerships and collaboration so that together stakeholders can collaboratively deliver a better service to the Aboriginal community.
- Provide opportunities for cultural based activities in and around the community.
- Develop a close working relationship with significant members of the Aboriginal community.
- Provide an opportunity to develop an understanding of the views and interests of Aboriginal people to build better relationships, partnerships and trust to improve the confidence of the Aboriginal community.
- Communicate with Aboriginal organisations and Aboriginal Elders to increase understanding of how to best support Aboriginal communities.

Alternative Learning/Education Participation Projects

The purpose of this project is to support young people who are disengaged (or at risk of disengaging) from mainstream education, to reengage in education through the provision of an alternative learning option, with a focus on improving their ability to make positive life choices.

The aim of this project is to:

- Assist disengaged young people with attaining Year 12 (or equivalent) qualifications.
- Encourage partnerships and collaboration so that together the youth stakeholders can deliver a better service to young people.
- Engage young people that would normally be tempted to offend.
- To assist young people to make progress towards personal and social outcomes.
- Provide opportunity for prevention and early intervention to address the needs of youth.

- Engage young offenders to reduce re-offending.
- Engage young people that would normally be tempted to offend in alternative social activities.
- Reduce drug and alcohol related crime amongst young people.
- Provide diversion and engagement activity to deter boredom and alleviate high risk and criminal behaviours.

Mentoring Projects

The aim of this project is to inspire and equip the community to provide positive role models and build relationships with young people of their community. There are not enough people trained or willing to mentor younger people and this is due to the lack of understanding, and training opportunities.

The aim of this project is to:

- To inspire and equip the community to provide role models and build relationships with young people of their community.
- To provide opportunity for young people to explore positive intergenerational relationships.
- To increase support network available to young people within their own communities.
- Provide diversion and engagement activities to deter boredom and alleviate high risk and criminal behaviours.
- To assist young people to make progress towards personal and social outcomes.
- Provide opportunity for prevention and early intervention to address the needs of youth.
- Engage young people that would normally be tempted to offend in alternative social activities.

Active/Sport Based Projects

This aim of this project is to engage at risk young people aged 12-18 in an inclusion, diversion and engagement program that uses sport as a means to reach young people in need and make a significant difference in the number of offending young people in this area.

The aim of this project is to:

- Encourage partnerships and collaboration so that together the youth stakeholders can deliver a better service to young people.
- Provide an opportunity for young people to get together, network and share intercommunity information.
- Assist young people to build connections with volunteers that will potentially become mentors and role models for these young people.
- Assist volunteers who do not normally interact with this particular cohort of young people to understand them, understand their issues and make a connection with them which will in turn help to make our community more friendly and inclusive.
- Provide the youth stakeholders with opportunity to build the confidence and background knowledge to interact with at risk young people and provide local solutions to target youth diversion and engagement.
- Provide opportunity for prevention and early intervention to address the needs of youth.
- Engage young people that would normally be tempted to offend in alternative social activities.
- Provide diversion and engagement activity to deter boredom and alleviate high risk and criminal behaviours.
- Build the capacity of young people to understand and address youth issues and improve their self-worth.

- Diversionary tactics to deter young people from entering the justice system.

BACKGROUND

When a person first enters aged care, they're generally assessed under a means test to determine how much they can afford to pay towards their aged care costs.

The significance of the first aged care means test for an individual entering residential aged care can't be understated as most people have limited resources for upfront and ongoing aged care fees.

The aged care means test is based on a person's income and assets. If they're part of a couple, it's based on 50% of the couple's combined income and assets. It calculates a person's daily means tested amount (MTA). If the MTA exceeds the maximum accommodation supplement determined by the government, the excess amount becomes the person's daily means tested care fee, which is subject to annual and lifetime limits.

The aged care means test applies when entering residential aged care and is valid for 120 days. It's significant, as it determines whether a person will pay for their entire accommodation costs or be eligible to receive a government subsidy.

Where the person's MTA is assessed as less than or equal to the daily maximum accommodation supplement, the person will be a 'low means resident'.

This means the person's daily accommodation contribution (DAC), equivalent refundable accommodation contribution (RAC), or a combination of both, will be the lower of:

- their MTA limited to the maximum accommodation supplement amount or
- the daily accommodation supplement the aged care facility is entitled to receive for the person's bed.

The government pays the difference between the person's MTA and the daily accommodation supplement the aged care facility is entitled to each day. The accommodation supplement a facility

is entitled to, varies depending on whether the facility meets certain standards and their proportion of low means, supported, concessional and assisted residents (subsidised residents) on a given day.

In December, 2022, Ms Kate Mills, Puzzle Consulting, provided an up-date on the community consultation process for the new Leonora Retirement Village and, specifically, the allocation model for the units. The up-date provided the following information:

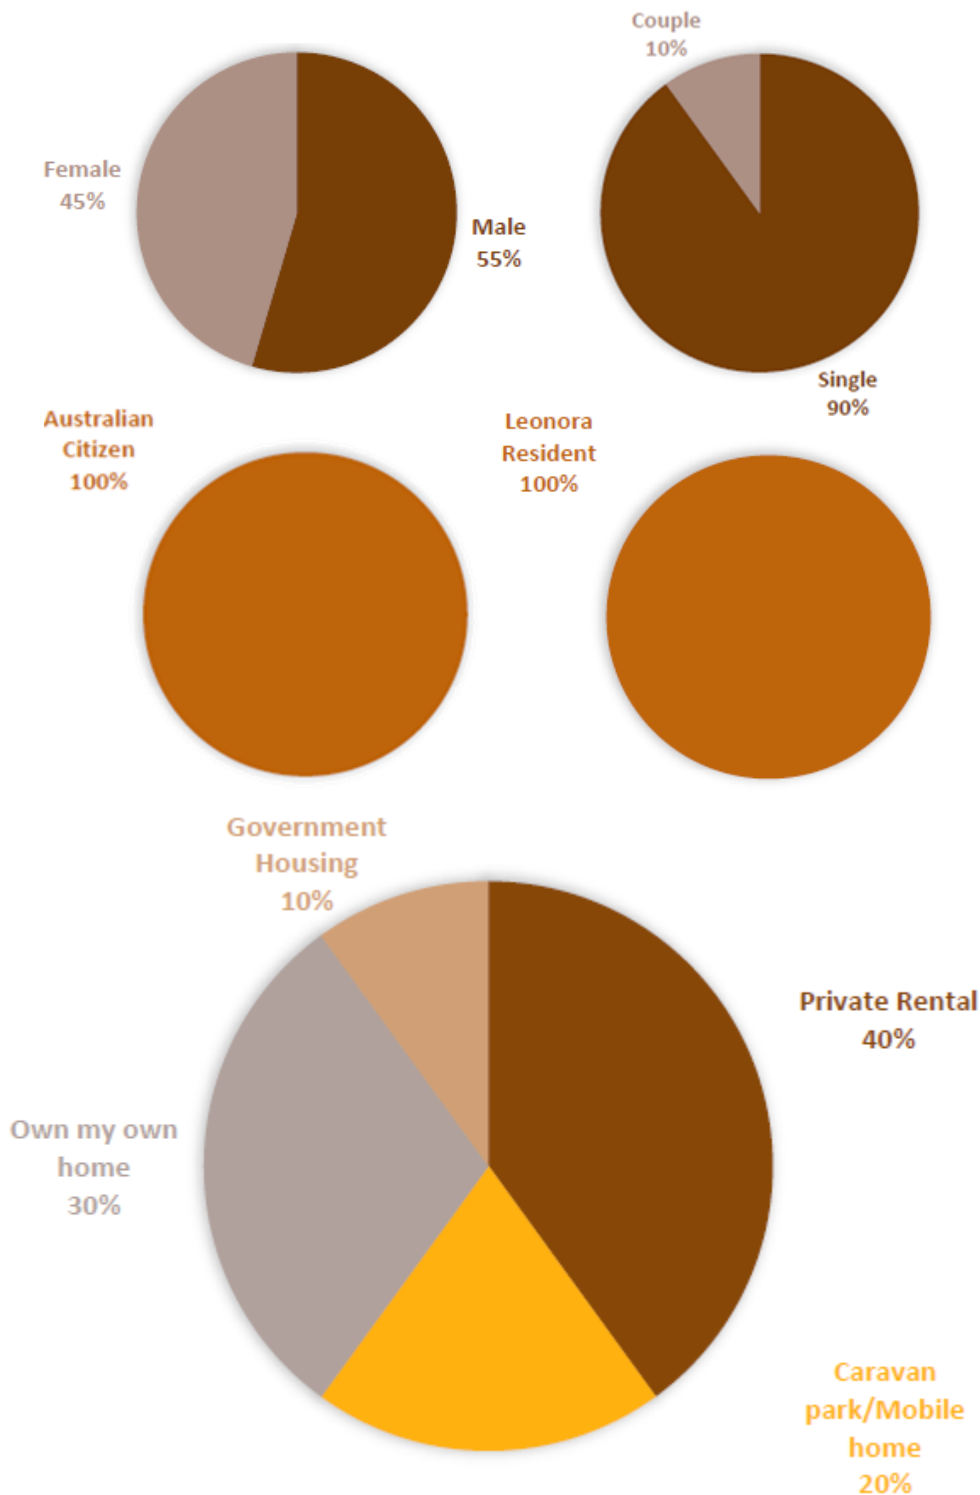

Extensive community consultation was undertaken to establish the community's need and demand for the facility before construction. The updated consultation was to measure the community demand again and included an opportunity for feedback regarding the proposed method of allocating units to residents.

A survey was distributed to the communities of Leonora, Laverton, Kookynie, and Menzies in both hard copy and online. Ten surveys were completed.

In addition, direct phone communication with Menzies, Laverton, and key services in Leonora (Hospital, Community Health, Shire) occurred, with the following feedback:

- Many Kookynie and Menzies residents who may have previously expressed interest had relocated to the Shire of Coolgardie, which is well-regarded for its aged resident programs.
- The Shire of Laverton was originally developing their village; however, this project did not progress. The State Government recently announced the delivery to Laverton of two new modular social housing units designed for seniors housing.
- There are approximately 20 residents in Leonora utilising MPS home care and CHSP home care services. This is a total number and does not reflect the daily service variability required by different residents. Each resident is assessed for need, which can fluctuate as people's circumstances change over time. For example, daily meals may be provided for eight people one day and two people the next.
- During the original consultation, up to three older residents of Leonora lived in the local hospital. There are currently no residents permanently at this facility.

The outcomes from the survey are outlined below:

The feedback regarding the eligibility criteria for a unit was positive. Some comments were received regarding community participation and noting that restrictions from the COVID_19 pandemic have impacted the last few years. One comment requested at least ten years of residency in Leonora and the need to qualify for government-funded aged-care assistance. One question was received regarding wheelchair accessibility. The feedback illustrates that the eligibility criteria are sound, with many consultation participants meeting the current policy requirements.

The original purpose of the project was (*among other things*).

- Provide an ageing-in-place option for older community members who cannot remain in their own homes as it is unsafe or unsuitable.
- Residents will remain in their community where they are familiar and comfortable, increasing positive outcomes.
- Streamline the provision of HACC and other support services with the village in a central location with facilities designed to support community services.
- Decrease the incidences of injury and accidents which require hospitalisation or residential aged care, as older residents have access to suitable accommodation that caters for their needs.
- Residents will have greater access to support services and the wider community with the location of the village (close to the town centre and amenities) and the inclusion of the multi-use meeting facility.

These outcomes highlight that the eligibility criteria should focus on the needs of the individual/s. Whilst the Shire does not have specific aged-care expertise, this expertise exists within the community (Hospital, Community Health).

There are two-unit allocation stages: the initial eight units and subsequent allocations when a unit becomes available.

Initial unit allocation

1. An open application process should commence before residents can move in (suggest four months).
2. The applications should be made on a Shire form, with a health needs questionnaire included (drafted in consultation with local health services).
3. Initial eligibility screening should occur (residency, completed paperwork) with a shortlist of potential residents established.
4. A meeting consisting of the Shire CEO, an additional nominee, and a representative from the Hospital and the Community Health Centre should assess the applications based on the council allocation policy and a recommendation be made to the Council.
5. This process should occur in enough time to ensure the new residents can attend to any required activities, such as giving notice on a current rental or selling their current rental or selling their current residence.

Allocation when a unit becomes available

1. The Shire should maintain a waitlist register, with the applicants unsuccessful with the initial unit allocation, and new applications can be received at any time.
2. When a unit becomes available, the waitlisted applicants will be asked to reconfirm or update their application details and ongoing interest in being allocated a unit.
3. In consultation with the Hospital and Community Health Centre, the Shire CEO shall recommend the unit allocation to the Council.

NEXT STEPS

- Provide the survey results to stakeholders such as WACHS, the Hospital and Community Health.

- Provide a report to Council regarding the consultation process.
- Forward a report to the State Government for their records as part of the Financial Assistance Agreement.

OPTIONS

1. During the consultation, the safety and security of residents were raised. In the original business case for the 16-unit construction, one unit was to be allocated to a caretaker. It is recommended that the Council again endorse this proposal and that suitable applicants from the community are identified.
2. The Policy regarding the village exclusively relates to the allocation policy (as this is a requirement of the Funding Agreement); however, there are several other matters the Council may wish to consider, including rent setting and rules for residents. A comprehensive village policy could be drafted.

STATUTORY ENVIRONMENT

Section 3.1 of the *Local Government Act 1995* states that “the general function of a Local Government is to provide for the good government of persons in the district”.

POLICY IMPLICATIONS

Attached is a proposed policy in draft form for the Ageing in Place Village. Some changes may be required prior to formal adoption, however the content within forms the basis of what will be required.

FINANCIAL IMPLICATIONS

Sufficient funds are contained within the current budget to allow for the engagement of a consultant to continue their work until completion.

STRATEGIC IMPLICATIONS

In regards the facility and it’s elderly occupants,

Government financing and funding policy should aim to produce a viable, sustainable and efficient aged care sector which achieves:

- Equity in the distribution of services
- Reasonable choice for consumers
- Technical efficiency
- Quality Care
- Investment in appropriate technology
- A balance between quality and cost and between government funding and consumer co-payment that is acceptable to the community
- An integrated and stable mix of acute, community and residential care.

A sustainable sector can only be achieved through a funding and financing model that:

- Allows service providers to generate sufficient surpluses and profits to maintain their viability and continuing operations

- Encourages continuous investment for long term sector sustainability.

RECOMMENDATIONS

That Council resolve:

- that Puzzle Consulting be engaged further to consult with the WA Country Health Service, the Leonora Hospital, and Community Health regarding the survey outcomes and feedback from these agencies;
- to identify a staff member within the Shire of Leonora who will be responsible for managing the village operations. This would allow Ms Mills to work with that person, up-dating and finalising policies, drafting relevant application forms and provide things that might be required (including connections to the Kalgoorlie Retirement Village Administrator) to establish a sustainable management process once construction is complete;
- that as part of the Financial Assistance Agreement a copy of this Agenda item be forwarded to the Department of Primary Industries and Regional Development for their records; and
- that the draft Ageing in Place (Village) Policy document be further developed, if required, in readiness for adoption at the April meeting of Council.

Policy Adopted: DATE

OBJECTIVE

The Ageing in Place accommodation units provide fit-for-purpose rental accommodation options for older members of the community to support the ongoing independence and health of residents as part of an age-friendly community. This document outlines the procedures for providing, assessing and managing tenancy applications.

The Shire aims to ensure the process is fair, equitable and transparent.

POLICY STATEMENT

The Shire of Leonora will provide housing to residents based on the following criteria:

1. Be an Australian citizen or permanent resident and able to prove your identity.
2. Live in Western Australia and have a connection with the broader Leonora community.
3. Not earn in excess of the income set out under the National Rental Affordability Scheme (as per the Community Housing Income and Asset Limits (CHIAL) Policy 2020).
4. Not hold assets in excess of the amounts set out in the National Rental Affordability Scheme (as per the CHIAL).
5. Not be the owner or part-owner of property in Leonora that constitutes another viable housing option.
6. At least one applicant must be over the age of 65 or over the age of 55 for people who identify as ATSI.

The Shire of Leonora shall allocate units within the ageing in place village in alignment to the Community Housing Income and Asset Limits (CHIAL) Policy 2020.

The units are offered on the following basis:

- In accordance with the terms and conditions as outlined in the Residential Tenancies Act.
- All written tenancy agreements must be done using the Residential Tenancy Agreement.
- The units are on a weekly rental basis with a bond of 4 weeks' rent being applicable.
- The rent is reviewed annually and is set by the Council as part of the Annual Fees and Charges.
- Tenants are liable for power and water usage and are sub-metered.
- All telecommunications are between the tenant and the supplier of their choice.
- All building maintenance is to be performed by the Shire.
- The gardens are to be maintained by the tenant.
- If applicable, tenants shall agree to abide by a community code of conduct.

Vacant units shall be advertised in accordance with Shire of Leonora procedures for Public Notices.

A completed application form and proof of identity shall be provided by the application cut-off period. Applications will be assessed against the following assessment process:

1. Social and Affordable Housing Eligibility
 - Are you eligible for Social (Band A) or Affordable (Band B) Housing Income Eligibility Limits?
2. Residential Status/Community Involvement
 - How long have you resided in the Shire of Leonora?
 - Are you currently or have you in the past actively participated in community groups, events and/or enabled others to get involved within your community?
3. Health and Care requirements
 - Do you qualify for government-funded aged care services?
 - Are you in poor health and require more complex care/been admitted to hospital in the last 6 months?

The intention of the assessment is to ensure the special-purpose housing is provided to community members in greatest need. This includes low-income, locally based, and health/care requirements.

Additional information shall also be assessed on a case-by-case basis, such as the absence of similar accommodation options in Menzies, Kookynie and Laverton, the real estate market in remote locations, and a recommendation of the Director of Nursing/GP/Community Health Clinic (within privacy parameters).

DATE:	14th March 2023
SUPPORTING DOCUMENTS:	1. Monthly Financial Statements - February, 2023 ↓

BACKGROUND

In complying with the Local Government Financial Management Regulations 1996, a monthly statement of financial activity must be submitted to an Ordinary Council meeting within 2 months after the end of the month to which the statement relates. The statement of financial activity is a complex document but gives a complete overview of the “cash” financial position as at the end of each month. The statement of financial activity for each month must be adopted by Council and form part of the minutes.

It is understood that parts of the statement of financial activity have been submitted to Ordinary Council meetings previously. In reviewing the Regulations the complete statement of financial activity is to be submitted, along with the following reports that are not included in the statement.

Monthly Financial Statements for the month ended 28th February, 2023 consist of:

- (a) Compilation Report
- (b) Statement of Financial Activity – 28th February, 2023
- (c) Material Variances – 28th February, 2023

34. *Financial activity statement report – s. 6.4*

(1A) *In this regulation –*

committed assets means revenue unspent but set aside under the annual budget for a specific purpose.

34. (1) *A local government is to prepare each month a statement of financial activity reporting on the revenue and expenditure, as set out in the annual budget under regulation 22(1)(d), for that month in the following detail —*
- (a) annual budget estimates, taking into account any expenditure incurred for an additional purpose under section 6.8(1)(b) or (c);*
 - (b) budget estimates to the end of the month to which the statement relates;*
 - (c) actual amounts of expenditure, revenue and income to the end of the month to which the statement relates;*
 - (d) material variances between the comparable amounts referred to in paragraphs (b) and (c); and*
 - (e) the net current assets at the end of the month to which the statement relates.*
34. (2) *Each statement of financial activity is to be accompanied by documents containing —*
- (a) an explanation of the composition of the net current assets of the month to which the statement relates, less committed assets and restricted assets;*
 - (b) an explanation of each of the material variances referred to in subregulation (1)(d); and*
 - (c) such other supporting information as is considered relevant by the local government.*
34. (3) *The information in a statement of financial activity may be shown —*
- (a) according to nature and type classification; or*
 - (b) by program; or*
 - (c) by business unit.*
34. (4) *A statement of financial activity, and the accompanying documents referred to in subregulation (2), are to be —*
- (a) presented at an ordinary meeting of the council within 2 months after the end of the month to which the statement relates; and*
 - (b) recorded in the minutes of the meeting at which it is presented.*
34. (5) *Each financial year, a local government is to adopt a percentage or value, calculated in accordance with the AAS, to be used in statements of financial activity for reporting material variances.*

**MONTHLY FINANCIAL REPORT
FOR THE PERIOD ENDED 28 FEBRUARY 2023**

BASIS OF PREPARATION

BASIS OF PREPARATION

This financial report has been prepared in accordance with the *Local Government Act 1995* and accompanying regulations.

Local Government Act 1995 requirements

Section 6.4(2) of the *Local Government Act 1995* read with the *Local Government (Financial Management) Regulations 1996*, prescribe that the financial report be prepared in accordance with the *Local Government Act 1995* and, to the extent that they are not inconsistent with the Act, the Australian Accounting Standards. The Australian Accounting Standards (as they apply to local governments and not-for-profit entities) and Interpretations of the Australian Accounting Standards Board were applied where no inconsistencies exist.

The *Local Government (Financial Management) Regulations 1996* specify that vested land is a right-of-use asset to be measured at cost, and is considered a zero cost concessionary lease. All right-of-use assets under zero cost concessionary leases are measured at zero cost rather than at fair value, except for vested improvements on concessionary land leases such as roads, buildings or other infrastructure which continue to be reported at fair value, as opposed to the vested land which is measured at zero cost. The measurement of vested improvements at fair value is a departure from AASB 16 which would have required the Shire to measure any vested improvements at zero cost.

Accounting policies which have been adopted in the preparation of this financial report have been consistently applied unless stated otherwise. Except for cash flow and rate setting information, the financial report has been prepared on the accrual basis and is based on historical costs, modified, where applicable, by the measurement at fair value of selected non-current assets, financial assets and liabilities.

THE LOCAL GOVERNMENT REPORTING ENTITY

All funds through which the Shire controls resources to carry on its functions have been included in the financial statements forming part of this financial report.

All monies held in the Trust Fund are excluded from the financial statements.

SIGNIFICANT ACCOUNTING POLICIES

CRITICAL ACCOUNTING ESTIMATES

The preparation of a financial report in conformity with Australian Accounting Standards requires management to make judgements, estimates and assumptions that effect the application of policies and reported amounts of assets and liabilities, income and expenses.

The estimates and associated assumptions are based on historical experience and various other factors believed to be reasonable under the circumstances; the results of which form the basis of making the judgements about carrying values of assets and liabilities not readily apparent from other sources. Actual results may differ from these estimates.

The balances, transactions and disclosures impacted by accounting estimates are as follows:

- estimation of fair values of certain financial assets
- estimation of fair values of fixed assets shown at fair value
- impairment of financial assets

GOODS AND SERVICES TAX

Revenues, expenses and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Australian Taxation Office (ATO). Receivables and payables are stated inclusive of GST receivable or payable. The net amount of GST recoverable from, or payable to, the ATO is included with receivables or payables in the statement of financial position. Cash flows are presented on a gross basis. The GST components of cash flows arising from investing or financing activities which are recoverable from, or payable to, the ATO are presented as operating cash flows.

ROUNDING OFF FIGURES

All figures shown in this statement are rounded to the nearest dollar.

KEY INFORMATION

Cash and cash equivalents include cash on hand, cash at bank, deposits available on demand with banks and other short term highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value. Bank overdrafts are reported as short term borrowings in current liabilities in the statement of net current assets.

The local government classifies financial assets at amortised cost if both of the following criteria are met:

- the asset is held within a business model whose objective is to collect the contractual cashflows, and
- the contractual terms give rise to cash flows that are solely payments of principal and interest.

Financial assets at amortised cost held with registered financial institutions are listed in this note other financial assets at amortised cost are provided in Note 4 - Other assets.

Total receivables general outstanding						236,058

Amounts shown above include GST (where applicable)

KEY INFORMATION

Trade and other receivables include amounts due from ratepayers for unpaid rates and service charges and other amounts due from third parties for goods sold and services performed in the ordinary course of business.

Trade receivables are recognised at original invoice amount less any allowances for uncollectable amounts (i.e. impairment). The carrying amount of net trade receivables is equivalent to fair value as it is due for settlement within 30 days.

Classification and subsequent measurement

Receivables which are generally due for settlement within 30 days except rates receivables which are expected to be collected within 12 months are classified as current assets. All other receivables such as, deferred pensioner rates receivable after the end of the reporting period are classified as non-current assets.

Trade and other receivables are held with the objective to collect the contractual cashflows and therefore the Shire measures them subsequently at amortised cost using the effective interest rate method.

KEY INFORMATION

Trade and other payables represent liabilities for goods and services provided to the Shire prior to the end of the period that are unpaid and arise when the Shire becomes obliged to make future payments in respect of the purchase of these goods and services. The amounts are unsecured, are recognised as a current liability and are normally paid within 30 days of recognition. The carrying amounts of trade and other payables are considered to be the same as their fair values, due to their short-term nature.

SIGNIFICANT ACCOUNTING POLICIES

Each class of fixed assets within either plant and equipment or infrastructure, is carried at cost or fair value as indicated less, where applicable, any accumulated depreciation and impairment losses.

Assets for which the fair value as at the date of acquisition is under \$5,000 are not recognised as an asset in accordance with *Financial Management Regulation 17A (5)*. These assets are expensed immediately.

Where multiple individual low value assets are purchased together as part of a larger asset or collectively forming a larger asset exceeding the threshold, the individual assets are recognised as one asset and capitalised.

Initial recognition and measurement for assets held at cost

Plant and equipment including furniture and equipment is recognised at cost on acquisition in accordance with *Financial Management Regulation 17A*. Where acquired at no cost the asset is initially recognise at fair value. Assets held at cost are depreciated and assessed for impairment annually.

Initial recognition and measurement between mandatory revaluation dates for assets held at fair value

In relation to this initial measurement, cost is determined as the fair value of the assets given as consideration plus costs incidental to the acquisition. For assets acquired at zero cost or otherwise significantly less than fair value, cost is determined as fair value at the date of acquisition. The cost of non-current assets constructed by the Shire includes the cost of all materials used in construction, direct labour on the project and an appropriate proportion of variable and fixed overheads.

KEY INFORMATION

Provisions

Provisions are recognised when the Shire has a present legal or constructive obligation, as a result of past events, for which it is probable that an outflow of economic benefits will result and that outflow can be reliably measured. Provisions are measured using the best estimate of the amounts required to settle the obligation at the end of the reporting period.

Employee Related Provisions

Short-term employee benefits

Provision is made for the Shire's obligations for short-term employee benefits. Short-term employee benefits are benefits (other than termination benefits) that are expected to be settled wholly before 12 months after the end of the annual reporting period in which the employees render the related service, including wages, salaries and sick leave. Short-term employee benefits are measured at the (undiscounted) amounts expected to be paid when the obligation is settled.

The Shire's obligations for short-term employee benefits such as wages, salaries and sick leave are recognised as a part of current trade and other payables in the calculation of net current assets.

Other long-term employee benefits

The Shire's obligations for employees' annual leave and long service leave entitlements are recognised as employee related provisions in the statement of financial position.

Long-term employee benefits are measured at the present value of the expected future payments to be made to employees. Expected future payments incorporate anticipated future wage and salary levels, durations of service and employee departures and are discounted at rates determined by reference to market yields at the end of the reporting period on government bonds that have maturity dates that approximate the terms of the obligations. Any remeasurements for changes in assumptions of obligations for other long-term employee benefits are recognised in profit or loss in the periods in which the changes occur. The Shire's obligations for long-term employee benefits are presented as non-current provisions in its statement of financial position, except where the Shire does not have an unconditional right to defer settlement for at least 12 months after the end of the reporting period, in which case the obligations are presented as current provisions.

Contract liabilities

An entity's obligation to transfer goods or services to a customer for which the entity has received consideration (or the amount is due) from the customer.

Capital grant/contribution liabilities

Grants to acquire or construct recognisable non-financial assets to identified specifications be constructed to be controlled by the Shire are recognised as a liability until such time as the Shire satisfies its obligations under the agreement.

14.0 MEETING CLOSED TO PUBLIC**14.1 MATTERS FOR WHICH THE MEETING MAY BE CLOSED****RECOMMENDATIONS**

That Council considers the confidential report(s) listed below in a meeting closed to the public in accordance with Section 5.23(2) of the Local Government Act 1995:

14.1.(A) CEO RECRUITMENT - MINUTES OF MEETING OF CEO RECRUITMENT AND SELECTION PANEL, AND RECOMMENDATION

This matter is considered to be confidential under Section 5.23(2) - (c) and (e) of the Local Government Act, and the Council is satisfied that discussion of this matter in an open meeting would, on balance, be contrary to the public interest as it deals with a contract entered into, or which may be entered into, by the local government and which relates to a matter to be discussed at the meeting and a matter that if disclosed, would reveal –

- (i) a trade secret; or
- (ii) information that has a commercial value; or
- (iii) information about the business, professional, commercial or financial affairs of a person.
