BACKGROUND

To assist in the committee's ability to progress towards achieving the goals of the #SaferLeonora Delivery Plan, a list of actions has been developed and is able to be continually updated by relevant committee members to demonstrate progress towards achieving each point as noted.

Progress continues to be made in actioning this plan, and provided alongside this agenda are PDFs of the completed actions, as well as all remaining actions to be addressed this financial year. To date, 23 tasks have successfully been completed.

A further benefit of committees such as the #SaferLeonora Committee is the ability for external groups to provide an update on initiatives, challenges and opportunities that the local community is facing, relaxing the burden of reporting such updates during Council meetings. Relevant external groups and agencies may present pertinent matters of discussion related to the area of community safety and crime prevention, as well as any other programs or activities relating to external groups/agencies.

To allow for discussion of pertinent matters by staff and external groups/agencies and provide comments/input into the current state of the #SaferLeonora Delivery Plan, it is being recommended that standing orders are suspended for a short period.

STRATEGIC IMPLICATIONS

Strategic references within the Shire of Leonora's 'Plan for the Future 2021 – 2031' demonstrate connections between development of the #SaferLeonora Committee and community vision for the Shire of Leonora, particularly in relation to its Social Objective – An empowered and spirited community.

Cam-Map

Accurate knowledge of the locations of CCTV systems (both private and business) greatly assists WA Police to investigate incidents and improve community safety.

'Cam-Map WA' is a database operated by the Western Australia Police Force that allows owners of CCTV systems to securely self-register their equipment.

If you have CCTV, we would really appreciate your help! You can make a big difference by taking 2 minutes to follow the link and register your CCTV.
