BACKGROUND

As per the requirements of the Integrated Planning & Reporting (IPR) Framework, as part of the budget process all local governments must consider the outcomes required by the Strategic Community Plan (SCP) and the Corporate Business Plan (CBP). The CBP document is a tool that influences the annual budget, to ensure that resources are being allocated appropriately, supported by the Asset Management Plan and Strategic Resource Plan. These documents were therefore, part of the Shire of Leonora's budget process.

The 2021/22 Draft Budget is presented for information and review by Council.

At the Council Meeting held on 18th May 2021, the 2021/22 Fees and Charges for the Shire of Leonora were presented to the Council, and due to the continuing impact of the COVID-19 pandemic, there were no increases in the rate levy nor any fees and charges for which the Shire is responsible. However, there were some external regulatory increases, such as fees prescribed under the Building Regulations 2012 (a 5% increase in its minimum fee) that will come into effect from 1st July 2021.

For this reason, the only changes to the 2021/22 Fees and Charges from that of the previous year for the Shire of Leonora are:

- the inclusion of additional fees and changes not previously identified,
- the deletion of fees and charges no longer applicable,
- rate increases that are the consequence of changes to valuations by external agencies, and
- fees controlled by external agencies under their regulations.

Since the Council Meeting held on 18th May, 2021, when the 2021/22 Fees and Charges were reviewed, the following changes have been necessary prior to approval:

Fees and Charges

I133 – Building Control	I133410 Charges – Building Permits	The minimum fees prescribed in Divisions 1 and 2 of Schedule 2 of the Building Regulations 2012 will increase by 5% on 1st July 2021. The minimum fee will increase from \$105 to \$110.
I134 – Gwalia Historic Precinct	I134454 – Merchandise Sales	24kt Gold Plated custom coin was listed at \$25 in error, it should have been \$35.

Some general commentary to the draft budget is included by program below for Councillors' information.

General Purpose Funding

Income - As stated above, there will be no local government initiated rates increase for the 2021/22 financial year. However, the Valuer General's Office normally assessed property every three years to determine its Gross Rental Value (GRV) and any increases initiated by this agency can increase the rates charged by the local government. In line with the directive that local governments "freeze" increases in household rates, however, the Shire of Leonora will be charging a GRV rate of \$0.0706 in the dollar, and UV rate of \$0.1550 rate in the dollar, and a minimum rate of \$323 again for this year. Interestingly, the proposed 2020/21 general valuation – gross rental values was postponed due to COVID, but this week the Landgate valuer was in Leonora updating the valuation roll, and new valuations will come into force on 1st July 2022. The Shire of Leonora's share of the valuation roll costs is estimated to be \$28,000 and this has been included in the budget.

It should be noted that WA Local Government Grants Commission grants (Financial Assistance Grant and Local Road Grant) are estimates only, and may be subject to change. Once again, an advance payment of \$677,786 was received late in 2020/21 and recognised as revenue in that year. This fund is therefore, part of the surplus carried over into 2021/20.

Governance

Income – No change.

Expenses – An increase in the Presidential and Deputy President's allowances has been included in the budget – E041070 and E041072 in recognition of their hard work and constant attendance, the increase is \$10,000 with the corresponding increase of \$2,500 for the Deputy President being set at 25% of the President's Allowance. These figures are still below the maximum set by the State Administrative Tribunal.

E041187 – Strategic Planning, and this includes the third year of the four year contract with Moore Australia for Statutory Compliance and Risk Management Services, being \$66,000 per annum included in this year's budget is E041040 Election expenses of \$15,000.

In the world of increasing compliance, the cost of being audited under the auspices of the Office of the Auditor General has increased our costs from \$24,000 to \$44,000.

Law Order and Public Safety

Income - All fees associated with animal control have been reviewed and updated as required against legislation.

Expenses - E052121 – Animal Sterilisation Program. At this stage it is expected that the Murdoch Vet Clinic will attend Leonora in October 2021. E053417 – CCTV Camera Maintenance and Repairs – Downers have advised that our system requires considerable work to ensure that it does not continually break down as parts become worn. Further information has identified that the maintenance work will cost \$49,000, as well as requiring considerable capital expenditure to upgrade the system.

<u>Health</u>

Income – No change.

Expenses –E074070 – Donation – Flying Doctor Service. The Donation under Governance of \$500,000 over five years continues. E077003 – COVID-19 Impact. This has been reduced to \$100,000 as the extra cleaning continues and the situation over east does not improve, and is shared with provision for COVID leave in anticipation of the necessity for staff to self isolate, therefore, the Shire is still continuing to offer COVID-19 leave as well as maintaining large stocks of masks and hand sanitiser.

Education and Welfare

Income – I080008 Childcare Centre Income. Under the guidance of our current Director the number of children attending the Early Learning Centre have increased considerably – from 8/9 children to 17 children regularly. All parents are working, and the economic advantage to having a Centre in Leonora is quite clear. However, the

success has also increased the demand for staffing. The \$200,000 discrepancy between income and expenditure for the Shire continues to grow.

Expenses – E080018 Childcare – RANDSTAD It is disappointing that after a break of eighteen months we have had to resort to contract staff again. The competition for childcare workers is very strong in Perth and staff are reluctant to work away. We are offering a competitive wage for a Director and also for a 2IC, and we hope to fill these positions shortly.

Housing

Income – No change.

Expenses - As identified by elected officers, there is a shortage of professional accommodation in Leonora and this is impacting on staffing across all agencies. Funds have been dedicated in this budget to a capital program of construction with \$700,000 being set aside for a new house. The expenses under E091 – Staff Housing relate to basic running costs and include utilities.

Community Amenities

Income – No change, although it should be noted that the liquid waste facility continues to meet and exceed its budgeted figure of \$220,000 last year by \$14,879, assisted by the closure of the Wiluna liquid waste facility.

Expenses – No change.

Recreation and Culture

Income – I13006 National Australia Day Grant of \$20,000 was very successful in 20/21 although not all the funds were spent, and despite our request to hold for this year, \$7112.00 had to be returned. Hopefully, we will be able to apply for it this year.

Expenses – E112018 BHP Vital Resources Fund of \$100,000 is still held by the Shire for work to be done at Wilsons Patch.

E113081 Leonora Mural Projects. This will be reviewed at the Budget Review time as to whether there are alternative artists to take it on. E112011 Minara Youth sponsorship hope to fund the attendance by PCYC in Leonora during school holidays, but in the meantime the Shire has pledged its support to ensure that they can come again. Also included is funding for Bush Mission \$5,000 and Man with a Pram \$3,000. E113092 Swimming Pool Mtce includes the preparation of the specification by Donovan Payne Architects to allow the Shire to go to tender for the refurbishment of the swimming pool, mainly the tiles, at a cost of \$30,000. Unfortunately, they are extremely busy and we had hoped to get the work done this year but it seems increasingly unlikely, and the work will have to be rescheduled for next year when the pool is closed.

E113118 Comm. Sport & Rec/Organised Sport. At a request from P & C Committee, funding of \$20,000 has been put aside for Country Week. Further work is planned to be done at the Skate Park in 21/22 and some assistance is being obtained from a consultant \$13,000, as well as funds for the signage that is required there, \$2,000.

E119005 Bowls Club Activity. Whilst resolving the stale cheques from previous years, the funds of \$7,232 belonging to the Bowls Club were identified. It has been proposed for these funds to be transferred to the club so that it can use them to build the roller shed.

Transport

Income – There have been several successful grants obtained for work to be done at the Leonora airport in 2021/22; there is a RADS Grant I126498 for security fencing for the aerodrome boundary with \$248,027 from Department of Transport and the same amount from the Shire. There is another RADS Grant I126499 for the compilation of an Airport Framework document with DoT contributing \$50,000, and there is a Remote Airstrip Upgrade Project Grant I126500 for \$145,957 for improved apron lighting. Landing fees I126410 \$272,800 and Passenger head Tax I126415 \$253,014 continue to rise as the airport gets increasingly busy. Fees were reinstated with Skippers early this year. The income from I122220 Grant – Infrastructure (Phase 1) of \$440,415 is also being utilised on capital projects as per the Federal Government's instructions and these are nearly complete with only the \$40,000 for Malcolm Dam to be expended. Phase 2 income of \$333,724 is to be expended against the

playground which will commence in September 2021, so these funds will be fully expended by Christmas. Further funds of \$880,830 (Phase 3) have also been offered to the Shire, and at this stage, will be utilised against the Leonora RAV10 road upgrade. With two thirds funding from Regional Road Group (\$300,000) and a third from the Shire (\$100,000) there will be sealing work done on the Old Agnew Road from SLK 21.00 to SLK 41.00. and I122218 RRG Funding is allocated \$300,000 against capital expenditure of \$450,000.

Expenses –E122040 Roadworks – Maintenance and E122043 Road Maintenance – Bush Grading have been funded as per the Corporate Business Plan. E126104 Airport Cleaning is reflective of the increased cleaning due to COVID-19 with an overall increase in costs of approximately \$50,000, but with the new contract due in August the hours will be reviewed to bring the costs down, as well as taking into consideration the necessity to have new facilities cleaned such as the playground toilet.

Economic Services

Income – No change. Gwalia Historic Precinct continues to be popular with 80% occupancy in Hoover House, and the demand for the Café continues to create problems with staffing. Up to \$1,000 has been taken in a day in coffee etc which demonstrates the demand in these times.

10.29 am Adjourned for Morning Tea 10.49 am The meeting resumed

Expense - E131045 Gwalia Cactus Eradication. The Shire as per its review Community Strategic Plan continues to support the eradication of Coral Cactus and is waiting on the result of a grant application for \$154,000 over a three year period through a Community Stewardship Grant.

E132075 Golden Quest Trail Marketing – to be changed to Golden Quest Trail Maintenance and allocated \$15,000, with E132042 Small Projects reduced to \$40,930.

Other Property and Services

Income – No change.

Expenses – E146010 Gross Salaries & Wages for Year. Once again, and especially in view of the shortage of staff and the competition amongst businesses, we have looked at a small increase in salaries, which will result in an overall increase of \$120,000 for the year. This will include another pay rise for the Town Crew who do such a good job in maintaining the attractiveness of Leonora.
